BSSC Inter Level Syllabus 2023

Nature of examination:- Objective

In the light of Bihar Staff Selection Commission Examination Conducting Rules - 2010, preliminary examination will be conducted if more than 40 (forty) thousand applications are received. The preliminary examination may be conducted in more than one phase if more applications are received. In case the examination is conducted in different stages, the examination result will be prepared by adopting the process of equalization.

The preliminary examination will be of objective nature. Candidates equal to 05 (five) times the number of category wise vacancies available through the preliminary examination will be selected for the main examination. A separate advertisement will be published for the main examination.

Scheme of Preliminary Examination

Preliminary Examination: There will be one paper on General Knowledge in the preliminary examination, which will have the following topics:

- o General Studies.
- o General Science and Mathematics.
- o Mental Ability Test (Comprehension/ Logic/ Reasoning/ Mental Ability).

Note: Questions will be objective and multiple choice. Total number of questions will be 150 . 4 marks will be given for each correct answer and 1 mark will be deducted for each wrong answer . The duration of the exam will be 2 hours 15 minutes . The medium of language in the preliminary examination will be Hindi/English. If there is any difference between Hindi and English question papers, only English questions will be valid.

Syllabus
