## Princess Dental Centre Brush To Win Teacher's Check List.

Dear Teacher,

Thank you for participating in our first Brush to Win program. To get started:

  - Provide a letter to the parents explaining what the program** is (a sample letter is available on the Brush to Win page).
- We would be happy to have one of our dentists or hygienists do a brief presentation.
- Visit the Brush to Win page at [www.princessdental.com](http://www.princessdental.com) to download more calendars and additional oral education information.
