### Six Month Smiles Patient Testimonials

"I hid my smile for 15 years and now, after just six months, I'm happy to show off my smile to everyone. I can't stop smiling."

-Linda, age 30

"Six Month Smiles is faster, less expensive, and less noticeable than any other option I looked into to straighten my teeth. It's the best decision I ever made!"

-Tony, age 32

"My only regret is that I didn't do this sooner!"

-Debrah, age 54

"I thought it was too good to be true when I found out that I could have straight teeth before my wedding . . . but it happened! Six Month Smiles is one of the best things I've ever done for myself. My wife is pretty thankful too."

-Dan, age 27

"I feel so much more confident and beautiful now that I don't have to hide my teeth when I smile."

-Mia, age 26

## You can have straight teeth by your next cleaning!

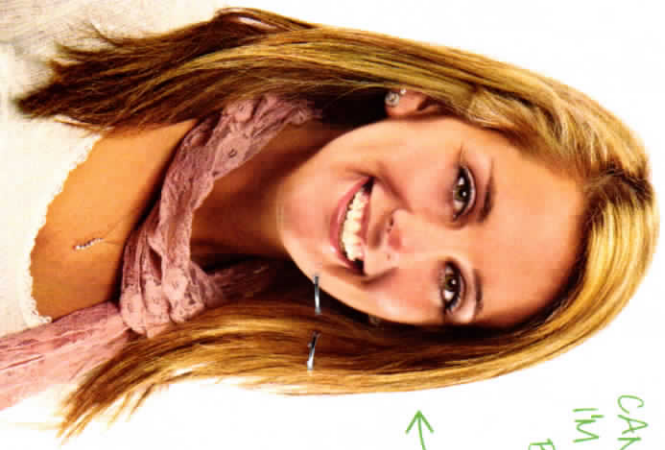

The Six Month Smiles Cosmetic Braces System uses *unique clear braces* to gently straighten teeth in an **average time of just six months**. The system fits into YOUR lifestyle- without the hassle of spending 2 or more years in traditional metal braces.

# Frequently Asked Questions:

**Q: What do Six Month Smiles braces look like?**

**A:** Six Month Smiles braces and wires are barely noticeable - they blend with the color of your teeth.

I'M WEARING  
BRACES?

**Q: Does everyone really finish in 6 months?**

**A:** Six months is the average treatment time. Most patients finish right around six months, but treatment times range from 4-9 months.

**Q: What's the catch?**

**A:** There is no catch. If you are an adult (15 years and older) with crooked or spaced teeth and you're not looking for a major alteration to your bite, this is a fantastic option for you! Most adults ARE candidates for Six Month Smiles.

**Q: How can the Six Month Smiles System straighten teeth in only six months?**

**A:** The Six Month Smiles System uses innovative orthodontic technology that involves light forces to gently move your teeth to their new position. Additionally, the aim of Six Month Smiles is to give you the smile you want and not make time consuming changes to the way your back teeth bite together.

**Q: Will I have to wear a retainer?**

**A:** Yes. As with all orthodontic treatment, a retainer is necessary to maintain the straighter position of your teeth. If you don't want to wear a removable retainer, you can have a bonded retainer placed behind your teeth. There are several options that you can choose from to fit your lifestyle.
