Swachh Bharat Abhyan: A Drive Towards a Cleaner Nation

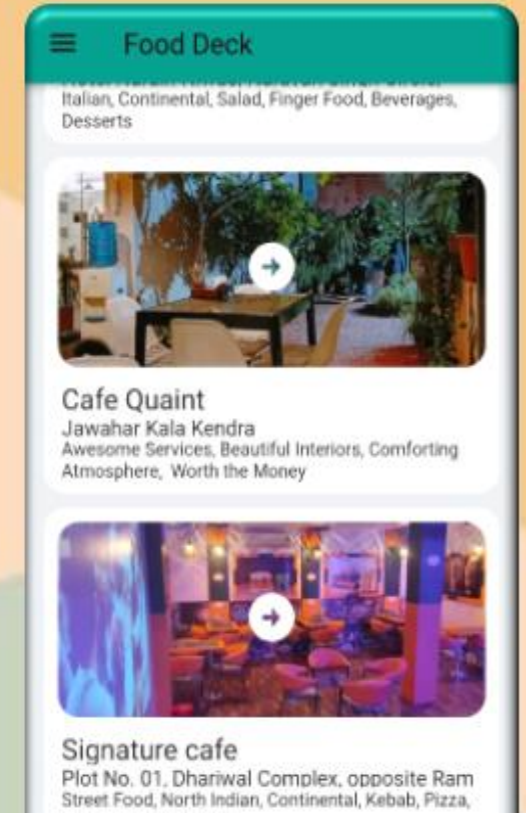

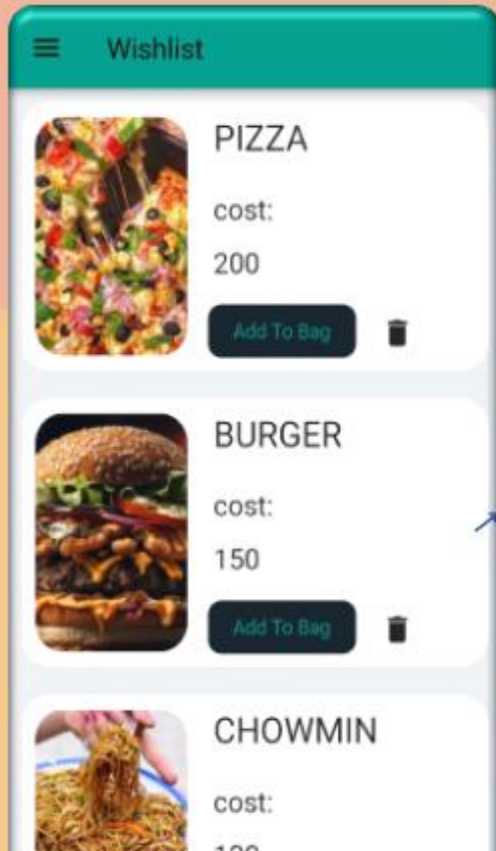

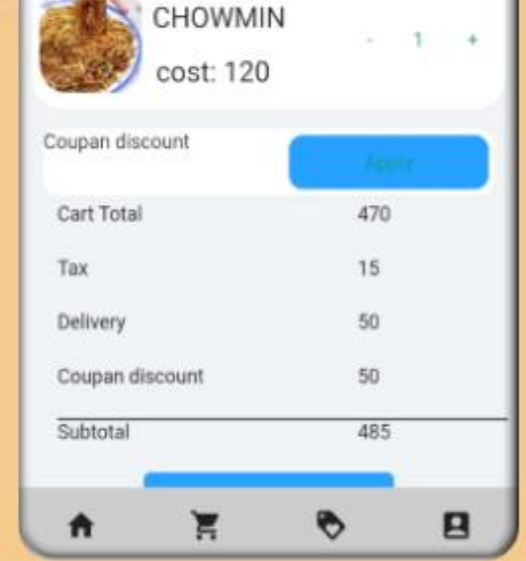

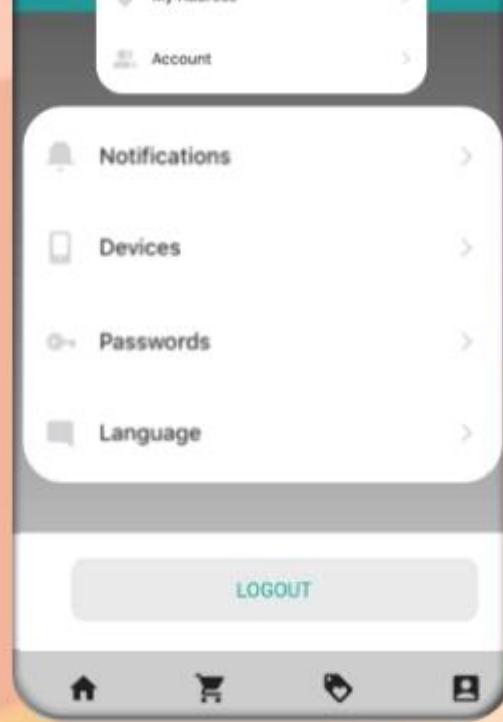

Swachh Bharat Abhyan, also known as the Clean India Mission, is a nationwide campaign initiated by the Indian government with the aim of achieving a cleaner and healthier India. Launched by Prime Minister Narendra Modi on October 2nd, 2014, this ambitious project has gained significant momentum and has become a mass movement that actively involves citizens in maintaining cleanliness and promoting sanitation practices.

The primary objective of the Swachh Bharat Abhyan is to eliminate open defecation and the practice of manual scavenging, which are prevalent in various parts of the country. It aims to not only provide sanitary

Design based on your style.

SERVICES

Our services are fully centered around the client and their visions. We desire to make each project stand apart with delivering top-notch results. We work closely with our client's ideas and we believe in integrity while working to ensure client satisfaction.

PROJECT ANALYSIS

We give all our undivided attention to this phase of the entire project. It is not only about the configuration but about delivering the utmost satisfaction to our clients according to their taste, preference, style, and comfort.

PROJECT DESIGNS

This step involves creating project layouts according to site space, budget, and visions of the client on how they want to use a certain space according to their ideas.

OFFICE DESIGNS

A well-charted out office interior not only makes a good first impression but also results in better efficiency and enjoyment in the workforce. We aim to transform office environments with the help of well thought out layouts and designs.

REMODELING

For remodeling purposes, we work closely on the details given in the existing space layouts and

PRODUCTION AND BUILDING

Once the design plans, layouts, and budget get discussed and approved, we start on the venture to create stellar interior designing and architectural projects.

FURNITURE DESIGN

Perfect furniture that fits the style of a room/building makes or breaks the whole interior designing game no matter how modern the architecture is. We believe in working on the whole project from inside out to ensure everything comes together perfectly. We design furniture that is perfect according to the interiors of a space.

HOME DESIGNING

We know well how the environment of a home influences the day-to-day life of its residents. We provide excellent service by working with spacious layouts and can even make the simplest of spaces look magnificent.
