

DAAI PLEKKIE IN DIE WESKUS

"W EES Kuu..."

Our Story

Welcome to Plekkie - Your West Coast Home - Away from Home.

The heart of the West Coast lies in its people. Salt-of-the-earth, good-hearted souls who know that great food and good company go hand in hand. **At Plekkie, we strive to reflect that spirit in every dish we serve.**

Ons spyskaart bestaan uit 'n kombinasie van geure geïnspireer deur ons plaaslike natuurskoon, die oorvloed wat die see ons bied en die ryk oeste van die Sandveld. Ons maak gebruik van vars, plaaslike produkte en **ondersteun so die tradisies van ons streek wat jou sielvolle kos met 'n tikkie nostalgie bied.**

We love taking the classics and **giving them a fresh twist** - re-imagined for today, but never losing the heart and flavour of what makes them special.

Hierdie is ook meer as net 'n eet-Plekkie, dis 'n kuier en tuisvoel-Plekkie. **Ons hoop elke gas wat arriveer as 'n besoeker, vertrek as 'n vriend en kom terug as familie.** Sit terug, ontspan en geniet die Weskus.

"W EES Kuu..." en welkom by Plekkie.
