

## Hightower

Optimizing the use of space is a common office issue. Our FourReal A is a space-making station that inspires people to come together for creative moments of collaboration. This all-occasion piece serves multiple purposes throughout the work day. Improve natural acoustics and inspire creativity by including a planter box for FourReal A. Hospitality, restaurant, and bar spaces can add their choice of decor such as plants or flowers inside the top shelf accessory. Choose from Cafe Height or Counter Height Table. Pairs well with FourSeating Stools and Benches.
