## CASEWORK

### Accessory Meets Artwork

Take a lounge space from simple to striking with the addition of **Casework Pillows**. Designed in collaboration with Casey Keasler, founder of Casework Interior Design, the unique shapes and special details make these pieces unlike any other and will bring the comfort of home into commercial designs.

### Meet the Designer

Casework is a women-owned team of visionaries who guide the human experience and create environments based on a unique path. Founder, Casey Keasler, has worked in interior design for over fifteen years and each project, no matter the size, is considered with passion and attention to detail.

## The Finishing Touch

Bring texture, color, and added support into your space with the addition of **Hightower Studio Pillows**. Choose from three square sizes and one lumbar size when filling out a supportive and dynamic lounge area. Pillows are an extra element that bring the comfort of home into any public space, and can instantly transform the energy from cold and stuffy to warm and welcoming.

## Don't Forget the Details

Great design can be made or missed with the final details, and these pillow collections from Hightower ensure no finishing moment is left behind. Create an expertly-styled space filled with special moments by incorporating pillows.
