

Four-Cast® 2 Tables

Hightower™

FourCast®2 Tables

For learning, for eating, for working, or for socializing, the FourCast®2 Tables are a collection of durable and versatile tables that can stand up to high use. Discover how the thoughtful details built into these designs create an incredibly functional and efficient space for any activity.

On the Surface

You can count on the Wilsonart Laminate surface on the FourCast®2 Tables to hold up through plenty of use. Easy to clean and resistant to scratching, this reliable material is ready for any job.

To Have and to Fold

Modern spaces need to be flexible, and having the ability to quickly adapt to changing needs is critical. The folding feature of FourCast®2 Tables allows the tables to be easily stored away, while the built-in castors on 2 legs let a single user move the tables with ease - small details that lead to big time-savings.

The Perfect Pair

A great table can only serve you so well without a great seat. The FourCast[®]2 and FourSure[®] Chair Collections are the ideal companions to the table series and offer exceptional customization options as well as an incredibly comfortable seat.

Hang in There

Make way for easy cleaning by utilizing the optional chair suspension tracks that can be conveniently added to any FourCast®2 Table. With this handy tool, you'll save time and avoid wear-and-tear on tabletops and chairs alike by refraining from stacking chairs on top of tables.

Clever Design for Everyday Use

With its thoughtful details, the FourCast®2 Table Collection takes a simple design and elevates it to an extremely functional solution for public spaces.
