

Hightower™

Jaxson Stools

Pull one up and grab a seat - Jaxson Stools are ready wherever you are. This playful, durable, and totally lovable stool collection is the perfect seating solution for group breakout areas, cafés, and quick touchdown spaces.

Made for Each Other

Jaxson Stools are great on their own, but you'll see them really come alive when paired with any number of tables from the Hightower Studio collection. Let poppy powder coats shine when mixing and matching Jaxson with the Teton, Linden, or Kona Table Collections.

See How They Stack Up

Short on space but demand high style? Jaxson Stools stack up to 4 high, so you can still make a big impact with a small footprint.

Top This

Whether you love the warmth of wood or crave the comfort of cushion, Jaxson Stools can be tailored to meet your needs. Choose from a solid wood seat in Ash or Walnut (complete with hand holds) or specify a fabric for an upholstered seat pad that lets creativity run wild.
