## Linden Table Collection

A modern take on a classic Parsons table, Linden leverages minimalistic components to deliver a table that is simple and practical yet striking, roomy, and expressive. Whether used for collaborating on big projects, talking over new ideas, or hosting office happy hours, Linden strikes the perfect balance of fun and function.

### **Go Big or Go Home**

Large spaces need large tables and, luckily enough, Linden has a unique ganging option that will allow multi-table configurations to take shape in style. Mix and match finishes, colors, and table heights to create an interesting and inviting place where convening comes naturally.

### Get Creative with Color

Linden offers the opportunity to have some fun with finishes. The surfaces can be specified in laminate, wood veneer or painted wood, while the metal accents are available in stunning powder coat colors. Go bold, neutral, or somewhere in between, and easily play to the vibe of a space.
