## Ribbon Tables

Like a bow on top of a present, Ribbon Tables are the perfect finishing touch to any lounge space. These playful side and coffee tables add a touch of whimsy wherever they're placed.

## Warm It Up

If industrial design makes you think of cold, stark pieces, think again. Ribbon Tables pair the durability and versatility of powder coated steel with the warmth of natural wood in ash or walnut. The combination is warm, welcoming, and brings a whole lot of personality to any setup.

**A Dynamic Duo**

What’s better than one Ribbon Table? TWO Ribbon Tables, nested together as the perfect pair. The different heights of this collection allow for subtle nesting of the tables, creating a dynamic and interesting composition.

**Make it Pop with Powder Coat**

The criss-crossing metal base of Ribbon is brought to life with our range of powder coat colors. Choose from enduring neutrals or lively accent colors to make your space shine.
