#### FourMe® Armchair

An armchair with a roomy, relaxed sit for informal or dining areas and collaborative spaces. FourMe® is beautiful left natural and can be specified in multiple colors of polypropylene, with a seat pad, upholstered interior or fully upholstered. Chrome base options include a classic 4-leg or sled; infinite choices combining color, texture, and capability. PVC-free, FourMe® is designed by Copenhagen-based Strand+Hvass and is part of their extensive, popular family of chairs.
