Linden Ganging Tables

No matter the size of the office, work surfaces should never feel cramped. Imagine all the possibilities when Linden tables become part of the space. Our modern take on the traditional Parsons table, Linden leverages minimal components to deliver a table that is simple yet striking, roomy, and expressive. Linden is available in 3 heights accommodating meetings and individual work. Linden can be specified in Ash or Walnut or in a wide range of painted wood options.

MODELS:

Maximum variables per layout: 3 tables | 2 substrates | 1 powder coat. For the most up-to-date product information, please visit hightoweraccess.com.
