

Hightower™

Maven

High expectations, meet Maven. This open and inviting chair makes a bold statement within a space. Maven is the perfect interpretation of a strong, feminine form. The simple and organic shape is striking and uncomplicated. Truly high design matched with high comfort, Maven fits a variety of aesthetics all the while providing a comfortable sit. Maven is captivating not only because of its combination of form and comfort, but also because of its refined craftsmanship and tight upholstered. Brush aluminum 4-star base.
