

A photograph of a dining room featuring a long, light-colored wooden table with six matching chairs. The chairs have a textured, brown upholstered seat. Two large, black, dome-shaped pendant lamps hang above the table. The room has white vertical wood paneling on the left wall and natural wood paneling on the right. A window in the background shows a view of a wooden building and greenery. The floor is a light, neutral color.

### Nadia Wood

Inspired by the organic, soft lines found in nature, Nadia combines natural materials, time-honored woodworking techniques, and the latest technologies to deliver a chair that's as functional as it is stunning. Exposed finger joints transition to gracefully tapered legs, lending to Nadia's unique, organic curves and instantly likeable appearance. Choose your frame from a variety of natural wood finishes and pair it with a bentwood or fully upholstered seat to give Nadia a look that's all your own.
