

Hightower™

### Ribbon Tables

These playful side and coffee tables, available in both round and pill shaped, provide the perfect accent to an entire office or just an armchair. They're lightweight, making them easy to cluster for visual impact, nest for added tabletop space or move for individual use. The recycled steel base adds an industrial touch while the dished wood top softens the overall look. Choose from ash or walnut on top and a variety of powder coat colors for the base.
