

Hightower™

Ziggy Table

Structurally striking and playfully unique, the Ziggy Table is a fun and functional addition to any multi-use space. Its lightweight and compact nature allows the table to be easily moved to create a safe and comfortable workspace anywhere, whether that's from home, school, or the office.

Ziggy was intentionally designed with a 60° angle, allowing for 6 pieces to come together to create a group breakout area. Once the meeting is done, stack up to 6 tables and tuck them away to save precious space.
