

Hightower

Prism was designed to meet the demands of the ever-changing collaborative workspace. Comfortable, modular, and flexible, this series will meet the needs of any client looking for a fun, modern way to define their workspace. Prism is also available in the popular Honeycomb (hexagon) shape, both fun in clusters, by itself as an ottoman, or paired with other Prism elements.

MODELS:

Retractable power module is an optional add-on with an associated up-charge. Visit our website for more information.
