

Hightower

Bring any space to life with Tess Planters

Playfully designed and thoughtfully crafted, the Tess Planters challenge the status quo of biophilic design. Each planter is designed to nest into another, offering the ability to create endless configurations. Whether you opt for a single striking piece or construct a vast composition, the options are truly limitless.

Available in 10 exclusive-to-Hightower powder coat colors, there is a shade to complement any space.
