

# Hong Kong

## Quality of Life

Economic and Social Rights (2019)

Summary score **N/A**

How well is Hong Kong doing compared to what is possible at its level of income?

Compared with all other high-income countries, Hong Kong is performing **better than average** on the Right to education (this comparison is calculated using the 'Income adjusted' benchmark).

## Safety from the State

Civil and Political Rights (2021)

Summary score **6.5/10**

How well is Hong Kong's government respecting each right?

Hong Kong's Safety from the State score of **6.5 out of 10** suggests that a significant number of people are not safe from one or more of the following: arbitrary arrest, torture and ill-treatment, forced disappearance, execution or extrajudicial killing.

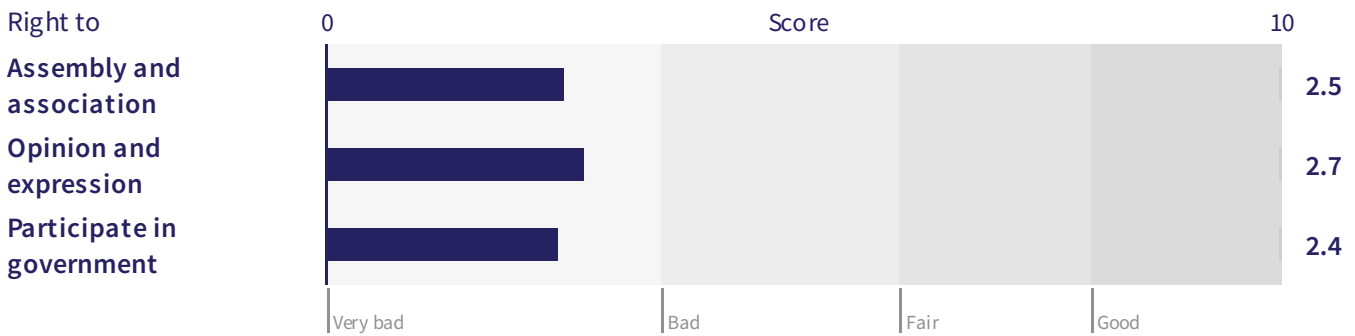

For the civil and political rights we do not have data for enough countries in East Asia and Pacific to do a regional comparison. However, compared to the other 39 countries in our sample, Hong Kong is performing **close to average** on the right to be safe from the state.

## Empowerment

Civil and Political Rights (2021)

Summary score **2.5/10**

How well is Hong Kong's government respecting each right?

Hong Kong's Empowerment score of **2.5 out of 10** suggests that many people are not enjoying their civil liberties and political freedoms (freedom of speech, assembly and association, and democratic rights).

For the civil and political rights we do not have data for enough countries in East Asia and Pacific to do a regional comparison. However, compared to the other 37 countries in our sample, Hong Kong is performing **worse than average** on empowerment rights.
