Reference: Notification of Environmental Investigation 1834 WILLOW ST / 19TH WEEHAWKEN, NJ Block # 9, Lot # 6 NJDEP PI# 005206

Dear Sir/Madam:

This biennial letter is to notify you of ongoing investigations by Equilon Enterprises LLC, dba Shell Oil Products US (Shell), of environmental conditions at the above-referenced property (the "property"). This investigation was initiated to determine the presence or absence of petroleum-related constituents potentially resulting from gasoline station operation for which the New Jersey Department of Environmental Protection (NJDEP) has established soil and groundwater quality standards. The investigation has identified the presence of petroleum-related constituents and/or non-petroleum-related constituents in groundwater and/or soil at the above-referenced property.

Under "Notification and Public Outreach" rules established by the NJDEP (N.J.A.C. 7:26C-1.7), this notification is being provided to all owners and tenants within 200 feet of the property boundary to promote awareness that an environmental investigation is being conducted at the property. The environmental investigation and cleanup activities are proceeding in accordance with NJDEP requirements. This notification is just for your awareness. No action on your part is needed.

Information about the environmental investigation for this site will be made available to the municipality upon the municipality's request. If you have questions about the environmental investigation, you may contact the Licensed Site Remediation Professional (LSRP) for the site, Julian Davies, at (609) 259-8200 or via e-mail at <u>jdavies@sovcon.com</u>.
