

## **SAMPLE HEALTH EQUIPMENT POLICY**

---

### **PURPOSE**

To set out the First Nations Health Organization policy on the use of health equipment.

### **POLICY**

The First Nations Health Organization shall ensure that any equipment that is loaned or prescribed to a client is in good working condition.

### **POLICY APPLICATION**

1. Any loaned equipment from the First Nations Health Organization requires a form to be signed by the client.
2. All conditions of the equipment are inspected prior to release and the client is responsible to maintain the loaned equipment.
3. The client is shown how to use the equipment upon release.
4. The HCCP clients' medical equipment such as walkers and wheelchairs are inspected monthly or as required.
5. All equipment use is recorded.
