

SAMPLE RESPECT FOR THE DIGNITY OF PERSONS SERVED POLICY

PURPOSE

To establish the responsibility of the First Nations Health Organization to ensure that it serves its clients with dignity and respect.

POLICY

The First Nations Health Organization shall ensure that all clients are treated with dignity and respect.

POLICY APPLICATION

1. The First Nations Health Organization employees involved in client care will keep all client information private and confidential.
2. All the First Nations Health Organization employees must sign a Confidentiality Form when they are hired.
3. Written consent forms are to be signed by clients when the First Nations Health Organization is requesting client information.
4. Anyone requesting client information must get permission from the First Nations Health Organization Director of Health prior to information being released.
5. Files and client information will not be allowed to be photocopied or removed from the First Nations Health Organization without the permission of the Director of Health or Nurse in Charge.
