Linea Pro[®] 5
 iPhone[®] 5
 iPod[®] Touch 5th Generation

QUICK START GUIDE

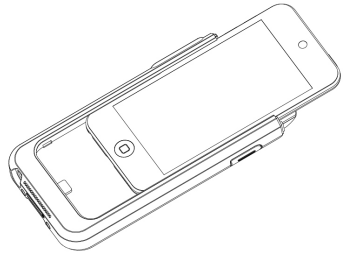

ASSEMBLY

1 Carefully remove the top piece, and then gently insert the iOS device.

2 Connect the iOS device by firmly sliding it onto the Lightning™ Connector.

 Guide the top piece back onto the LP5 using the large snap.

3 Firmly press the top piece onto the body of the LP5 until it is secure.
