Description :

PDF-bf724 | While we appreciate the beauty of plants given as gifts and growing in our gardens, we rarely consider their power to heal. In this book the author shows how this power can be harnessed and used in healing situations - both in the now widely practised natural therapies, such as aromatherapy, herbalism and homeopathy, and in the increasingly recognised field of colour therapy. She shows how plant... *Healing Plants: An Introduction to the Healing Power of Plants*
