Description :

PDF-e39fa | Flower essences are liquid, energetic remedies derived from living flowers. They bring the natural dynamic energy of the plant directly into the human electro-system, where they work to bring about movement toward health and balance. Because of their energetic and living quality, they work directly and deeply in the emotional system, assisting in the release of early wounds and trauma. These suppr... *Stars of the Meadow: Medicinal Herbs As Flower Essences*
