Support - We're Here to Help!

Welcome to the **Iraqi Bazzar Support Center**. Whether you're buying, selling, or just browsing, we're here to make your experience smooth and hassle-free. Below, you'll find answers to common questions, troubleshooting tips, and how to get in touch with us for additional help.

Frequently Asked Questions (FAQs)

1. How do I browse or post ads on Iraqi Bazzar?

To explore listings, simply open the app and navigate through categories like **vehicles, electronics, property**, and more. To post an ad, tap the **'+ Post an Ad'** button, fill in the required details, and publish—it's that easy!

2. How do I contact a seller or buyer?

Each listing includes a **chat or call option**. Use our in-app messaging system for secure communication with other users.

3. Is Iraqi Bazzar free to use?

Yes! **Browsing** and **posting basic ads** are completely free. We also offer **premium options** to boost your ad's visibility for a small fee.

4. How can I edit or delete my ad?

Go to **'My Ads'** in your profile, select the ad you wish to update, then choose **Edit** or **Delete**.

Troubleshooting Tips

1. Ads aren't loading properly.

Make sure your device is connected to the internet. Try restarting the app or clearing the app cache from your device settings.

2. I don't see the latest listings.

Update the Iraqi Bazzar app from the **App Store** or **Google Play Store** to access the newest features and listings.

3. The app crashes or freezes.

If you're experiencing crashes, try closing other apps running in the background. If it continues, reinstalling Iraqi Bazzar might fix the issue.
