

FORENSIC ACCOUNTING TRAINING

**BEHIND
THE
BALANCE
SHEET**

**WITH STEPHEN CLAPHAM OF BEHIND THE
BALANCE SHEET IN CONJUNCTION WITH IRF**

THE PENN CLUB, NEW YORK CITY, NOVEMBER 13TH

This training course will be delivered by Stephen Clapham, a very experienced equity analyst and founder of [Behind the Balance Sheet](#).

The training is designed to give investors:

- An increased awareness of earnings management
- A toolkit to spot quickly companies engaged in aggressive accounting
- An understanding of the psychology of cheating management
- A deeper appreciation of financial statements and their analysis
- 150 real life examples

STEPHEN CLAPHAM

Before setting up Behind The Balance Sheet, he was analysing companies on both the sell side and buy side including being partner at a Tiger Cub hedge fund. He has written the book, Smart Money Method, and is well known for his podcast series where he interviews some of the most well-known fund managers.
