Economic and Social Rights (2020)

How well is the Maldives doing compared to what is possible at its level of income?

Compared with the other countries in South Asia, the Maldives is performing **better than average** when we look across the rights for which we have data (this comparison is calculated using the 'Income adjusted' benchmark).

Safety from the State

Summary score **7.1 /10**

Civil and Political Rights (2022)

How well is the Maldives' government respecting each right?

The Maldives' Safety from the State score of **7.1 out of 10** suggests that a significant number of people are not safe from one or more of the following: arbitrary arrest, torture and ill-treatment, forced disappearance, execution or extrajudicial killing.

For the civil and political rights we do not have data for enough countries in South Asia to do a regional comparison. However, compared to the other countries in our sample, the Maldives is performing **close to average** on the right to be safe from the state.

Empowerment

Summary score **5.1 / 10**

Civil and Political Rights (2022)

How well is the Maldives' government respecting each right?

The Maldives' Empowerment score of **5.1 out of 10** suggests that many people are not enjoying their civil liberties and political freedoms (freedom of speech, assembly and association, and democratic rights).

For the civil and political rights we do not have data for enough countries in South Asia to do a regional comparison. However, compared to the other countries in our sample, the Maldives is performing **close to average** on empowerment rights.
