

New Zealand

Quality of Life

Economic and Social Rights (2022)

Summary score **N/A**

How well is New Zealand doing compared to what is possible at its level of income?

Compared with all other high-income countries, New Zealand is performing **close to average** when we look across the rights for which we have data (this comparison is calculated using the 'Income adjusted' benchmark).

Safety from the State

Civil and Political Rights (2024)

Summary score **7.6 /10**

How well is New Zealand's government respecting each right?

New Zealand's Safety from the State score of **7.6 out of 10** suggests that **a significant number of people are not** safe from one or more of the following: arbitrary arrest, torture and ill-treatment, forced disappearance, execution, or extrajudicial killing.

Compared with the small group of 5 high-income OECD countries we have civil and political rights data for, New Zealand is performing **close to average** on the right to be safe from the state.

Empowerment

Summary score **7.3 /10**

Civil and Political Rights (2024)

How well is New Zealand's government respecting each right?

New Zealand's Empowerment score of **7.3 out of 10** suggests that **a significant number of people are not** enjoying their civil liberties and political freedoms (freedom of speech, assembly and association, democratic rights, and religion and belief).

Compared with the small group of 5 high-income OECD countries we have civil and political rights data for, New Zealand is performing **close to average** on empowerment rights.
