

Saudi Arabia

Quality of Life

Economic and Social Rights (2022)

Summary score **N/A**

How well is Saudi Arabia doing compared to what is possible at its level of income?

Compared with all other high-income countries, Saudi Arabia is performing **lower than average** when we look across the rights for which we have data (this comparison is calculated using the 'Income adjusted' benchmark).

Safety from the State

Civil and Political Rights (2024)

Summary score **4.2 /10**

How well is Saudi Arabia's government respecting each right?

Saudi Arabia's Safety from the State score of **4.2 out of 10** suggests that **many people are not** safe from one or more of the following: arbitrary arrest, torture and ill-treatment, forced disappearance, execution, or extrajudicial killing.

For civil and political rights, we don't have sufficient data across Middle East and North Africa countries to allow for a regional comparison. However, when compared to the other countries in our sample, Saudi Arabia is performing **lower than average** on the right to be safe from the state.

Empowerment

Summary score **1.6 /10**

Civil and Political Rights (2024)

How well is Saudi Arabia's government respecting each right?

Saudi Arabia's Empowerment score of **1.6 out of 10** suggests that **many people are not** enjoying their civil liberties and political freedoms (freedom of speech, assembly and association, democratic rights, and religion and belief).

For civil and political rights, we don't have sufficient data across Middle East and North Africa countries to allow for a regional comparison. However, when compared to the other countries in our sample, Saudi Arabia is performing **lower than average** on empowerment rights.
