

Maldives

Quality of Life

Economic and Social Rights (2022)

Summary score **N/A**

How well is the Maldives doing compared to what is possible at its level of income?

Compared with the other countries in South Asia, the Maldives is performing **better than average** when we look across the rights for which we have data (this comparison is calculated using the 'Income adjusted' benchmark).

Safety from the State

Civil and Political Rights (2024)

Summary score **6.2 /10**

How well is the Maldives' government respecting each right?

The Maldives' Safety from the State score of **6.2 out of 10** suggests that **a significant number of people are not** safe from one or more of the following: arbitrary arrest, torture and ill-treatment, forced disappearance, execution, or extrajudicial killing.

For civil and political rights, we don't have sufficient data across South Asia countries to allow for a regional comparison. However, when compared to the other countries in our sample, the Maldives is performing **close to average** on the right to be safe from the state.

Empowerment

Summary score **4.6 /10**

Civil and Political Rights (2024)

How well is the Maldives' government respecting each right?

The Maldives' Empowerment score of **4.6 out of 10** suggests that **many people are not** enjoying their civil liberties and political freedoms (freedom of speech, assembly and association, democratic rights, and religion and belief).

For civil and political rights, we don't have sufficient data across South Asia countries to allow for a regional comparison. However, when compared to the other countries in our sample, the Maldives is performing **close to average** on empowerment rights.
