- (a) the income generated from International airliners, their international flights passing through Indian Air Zones and also for the use of airport and air strip in landing and take-off, airport-wise;**
- (b) the income earned during the last five years, year-wise along with the list of foreign airliners of both passenger and cargo planes using Indian air strips and air navigation system;**
- (c) whether the Government has taken any measures to increase the state-of-the-art technology at Chennai air traffic centre for providing the navigation signals; and**
- (d) if so, the details thereof and total expenditure incurred during the last five years to till date for installation and commissioning of such gadgets?**

ANSWER

Minister of State (IC) in the Ministry of CIVIL AVIATION

नागर विमानन मंत्रालय में राज्य मंत्री (स्वतंत्र प्रभार)

(Shri Hardeep Singh Puri)

(a) & (b): Year-wise and airport-wise details of the income generated from International airliners passing through Indian Air Zones during the last five years and the list of foreign airliners of both passenger and cargo planes using Indian air strips and air navigation system are at Annexure-A and Annexure-B respectively.

(c) & (d): Yes, Sir. Airports Authority of India has incurred an expenditure of Rs. 20.95 crore during last five years on commissioning of Distance Measuring Equipment, Instrument Landing System, Approach Radar and installation of other navigation equipment at Chennai Airport.
