3		
4		

The validity of this certificate shall extend for a period of two years, beginning six days after the first injection of vaccine or in the event of revaccination within such period of two years, on the date of that revaccination.

Norwithstanding the above provision in the case of a pilgrim, this certificate shall indicate that two injections have been given at an interval of seven days and its validity shall commence from the date of the second injection.

The approved stamp mentioned above must be in a form prescribed by the health administration of the territory in which the vaccination is performed.

Any amendment of this certificate or erasure or failure to complete any part of it may render it invalid.

La validite de ce certificate couvre une periode de six mois commençant six jours après la première injection du vaccin ou, dans le cas d'une revaccination, à compter de la date de cette revaccination.

Nonobstant les dispositions ci-dessus dans le cas d'un pèlerin le présent certificate doit mentionner deux injections partielles à sept jours d'intervalle et sa validité commence le jour de la seconde injection.

Le cachet d'authentification doit être conforme au modèle présenté par l'administration sanitaire du territoire où la vaccination est effectuée.

Toute correction ou rature sur le certificate ou l'omission d'une quelconque des mentions qui il comporte peut en affecter la validité.
