EDUCATION

2019 - 2024
WOLKITE UNIVERSITY

- Bachelor of Software Engineering

2023 - 2024

- ALX software engineering

SKILLS

- MERN
- NEXT JS
- Fairebase
- MUI
- Tailwind
- React native
- Agile Methodology

- PHP
- JAVA
- SQL
- PYTHON
- LINUX
- Computational programming
- Networking

LANGUAGES

- Amharic
- English

PROFILE

I am a versatile full-stack developer and an ALX software engineering graduate with expertise in MERN stacks, NEXT JS, Tailwind CSS, MUI, MongoDB, and proficient in mobile application development using Java and React Native. My skill set includes strong programming capabilities, allowing me to contribute effectively to diverse projects. Motivated professional offers expertise in HTML5, CSS3, JavaScript, and jQuery. Adept at troubleshooting and resolving complex technical issues, while consistently meeting deadlines and client expectations. Proven ability to quickly learn and apply new technologies and techniques to enhance user experience and enable website optimization.

WORK EXPERIENCE

WKU Incubation Center   2022-2024
Clearance management system

- Working with my friend and partners, we developed a clearance management system for Wolkite University, with the guidance of an advisor. Throughout the project, we followed every step of the SDLC.
- We used Next js, MUI, Tailwind,Mongo DB.

Hindeke Technologies PLC   Mar 2023- Jun 2023
Software Developer Intern

- I was developing an admin page for the project as a full-stack developer, with expertise in designing and developing admin interfaces. I utilized Firebase for the backend and React for the frontend.
- I used React, MUI, and Firebase

ETCPC   sep 2021
Ethiopian Collegiate Programming Contest

- We used cpp,Phyton and Java

CERTIFICATIONS

- ALX Software Engineering Completion Certified.
- HCIA (Huawei Certified ICT Associate in Datacom) Datacom certification.
- Red Hat Application Development I certified in Java EE (AD183).
- NDG Linux Essentials I and II certified.
