

John 17 Ministries

The mobile application for John 17 ministries <https://john17ministries.org/> which includes podcasts, events, and other alerts for the ministry.

The application has the following main features:

1. View podcasts from <https://pinecast.com/feed/john-17-ministries> with titles, descriptions,.. And from another channel feed.
2. Play podcasts with an integrated audio player
3. View events with titles, descriptions, images, dates,...
4. Donation button which leads to a web link
5. Receive notifications (sent by the admin) anytime there is a new event, a podcast, or a custom notification made by the admin.
