

PRESENTATION FOR BUSINESS AND HEALTH PROFESSIONALS

CARE BEYOND
HEALTH PRACTITIONERS' CHOICE

BUSINESS AND HEALTH PROFESSIONALS PROGRAM

Proven Benefit For Your Clients

Designed By Health Professionals
For A Synergistic Benefit
Promoting Balanced Wellness

**New Revenue
For Your Business**

A person in a white lab coat is shown from the chest down, holding a white mortar and pestle. The scene is set on a white surface with various glassware and fresh herbs. To the left, a tall glass beaker contains a green plant. In the foreground, there are several glass test tubes in a rack, some containing liquids. Fresh green leaves and small pinkish-red berries are scattered around. The overall aesthetic is clean and professional, suggesting a laboratory or pharmacy setting.

What is the Care Beyond Difference?

Who We Are

CARE BEYOND

HEALTH PRACTITIONERS' CHOICE

- Part of a group of service-oriented health and wellness companies
- Products created by *health care professionals for the benefit of their patients*
- Requests from our health professionals and patients led to research and the decision to create the *highest quality nutraceutical line* to target wellness issues
- These formulas were developed out of *30 years of functional medicine experience*
- *The results we are witnessing are motivational, inspirational and humbling*

CARE BEYOND
HEALTH PRACTITIONERS' CHOICE

- **Unique Formulas:** Target specific wellness issues with unique blends of herbs including pure CBD isolate, antioxidants, vitamins and minerals supporting balance in the body
- **Quality:** Include ingredients of the highest quality manufactured in a pharmaceutical grade facility
- **Care:** Awarded for our service by the State of California's Senate, Congress and local government. But our real award is helping families in times of crisis and supporting individual health of those who can't afford it

Our Products: See The CARE BEYOND Difference

Pharmaceutical Grade Manufacturing

Highest Level of
Quality And Safety

Pharmaceutical Grade: Produced in Pharmaceutical Grade Facility WITH Independent Testing to Confirm Standards

- Bioavailability: Free of Binders, Dyes, Additives That May Alter Absorption
- Purity
- Accurate Dose
- Free From Contaminants
- Stability Through Shelf Life of Product

VS

Medical Grade

- Deemed Safe For Consumption
- Intended For a Purpose
- No Requirement For Independent Testing
- May be cGMP Certified, but **No Assurances of Bioavailability**

A laboratory setting with various glassware and a microscope. The background is a solid blue color. In the foreground, there are several pieces of glassware: a round-bottom flask on the left, a round-bottom flask in the center, and a graduated cylinder on the right. A microscope is positioned in the middle ground, slightly behind the central flask. The glassware contains a clear liquid. The lighting is bright, creating reflections on the glass surfaces.

Products With a Proven Margin of Safety
