

Privacy Policy

This privacy policy applies to the app, which is developed and operated by [yyeSolution].

Collection of Data

The app collects some IDs, including Advertising ID, Android ID, IMEI, BSSID, and MAC address, for internal analysis. This data is used to improve the app's performance and user experience.

Use of Data

The data collected by the app is used for the following purposes:

- To improve the app's performance and user experience.
- To provide users with relevant content and advertising.
- To prevent fraud and abuse.
- To comply with applicable laws and regulations.

Sharing of Data

The data collected by the app may be shared with third-party partners for the purposes listed above. These third-party partners are required to keep the data confidential and to use it only for the purposes for which it was shared.

Data Security

The app takes steps to protect the data collected from its users. These steps include:

- Using industry-standard security measures to protect data at rest and in transit.
- Requiring third-party partners to comply with strict security standards.
- Encrypting data when it is stored on our servers.
- Limiting access to data to authorized employees.

User Rights

Users have the right to access, correct, or delete their data. Users can also request that their data be transferred to another company. To exercise these rights, please contact us at [yye.info@gmail.com].

Changes to this Policy

We may change this privacy policy from time to time. Any changes will be reflected on this page.
