# About GPAA PrimeGlobal

Smart business, personalised. That's the power of us.

## WHO WE ARE

KAP Gatot Permadi, Azwir & Abimail (GPAA) is a public accounting firm established in Jakarta in 2012. GPAA is the new form of business entity to replace KAP Gatot Permadi Joewono operated since 1988. Other than audit service, GPAA also offers accounting, tax, and other business consulting services.

Our firm offer our clients a full range of accounting, tax, audit, and consulting services. For us, we care about client's success and we always try harder to serve the best service continuously. For that reason, our firm believe that thinking smart, working professionally and in innovative way are the soul of our services.

## OUR SERVICES

### Assurance Services

Our firm provides services in:

- Financial statement audit
- Special Audit
- Due Diligence
- Financial accounting
- System & process assurance (SPA)
- Other assurance services

Why with us? Because our firm give high quality audit and assurance services with the best price to improve the internal control and financial report, the accuracy of financial statements, the compliance to the regulation and the management of critical risks by sharing the experiences and knowledge to anticipate the financial and reporting impacts of the clients' business decisions.

### Tax Services

Our firm offer the taxation services which consist of:

- Tax regulation update
- Tax planning
- Tax due diligence review
- Tax diagnostic review
- Tax compliance
- Tax audit
- Tax objection
- Tax appeal
- Supreme court
- In-house tax training

Our partners are hands on experienced, highly educated and certified level C as Tax Consultant. They provide professional tax advises and offer the best solution to our clients. Our partners always update the knowledge, have hands on experiences in numerous industries and give professional advices and value added to our clients. We also train our staffs to broaden their knowledge and skills to help our clients.

### Accounting Services

Our firm provide the accounting services with professional and personal touch. Accounting services provide the financial statements of the clients including the general ledger using the recognized accounting software.

More than just providing financial statements, our firm also provide review of all aspects of the clients accounting including financial analysis to help our clients to make important business decision, review the standard and procedure of accounting manual and any other accounting services.

### Business Advisory

We give professional advises to help the growth of the clients and to create value for their shareholder wealth in services such as:

- Company establishment
- Company restructuring

**PrimeGlobal***An Association of  
Independent Accounting Firms*

PrimeGlobal is one of the 5 largest associations of independent accounting firms in the world, comprised of approximately 300 highly successful independent public accounting firms in over 80 countries. PrimeGlobal's independent member firms house a combined total of over 2,000 partners, 22,000 employees and a combined revenue of over over \$2.5 billion. Our main purpose is to provide our member firms and their clients with a powerful pipeline to build relationships with one another and share ideas and business opportunities.

As one of the five largest associations of independent accounting firms in the world, PrimeGlobal member firms offer a powerful range of services and industry expertise to meet your needs – around the globe, around the clock. If your company is seeking accounting services such as tax advice or tax preparation, audit or internal audit services, corporate finance advisory, wealth management advisory, or any other service provided by a public accounting firm, we encourage you to review our site and learn more about our independent member firms' expertise.

**GPAA** A member of PrimeGlobal

GPAA is an independent member of PrimeGlobal, a worldwide association of independent accounting firms and business advisers focused on connecting like-minded quality firms for the sole purpose of providing its member firms with the knowledge and resources they need to grow in today's multifaceted business environment.

Through membership in PrimeGlobal, KAP GPAA strongly enhances its ability to provide assistance, referrals and increased knowledge to clients with international business needs.

For more information about PrimeGlobal and the services it offers its independent member firms and their clients, visit the PrimeGlobal website at [www.primeglobal.net](http://www.primeglobal.net).
