

# Website Build, SEO & Maintenance

Build: Rs. 1,50,000 | Maintenance: Rs. 18,000 per month

A production-grade website built for performance, clarity, and growth. Designed as a long-term system, not a one-off design project.

## Deliverables

- Custom website build using a modern framework
- Mobile-first responsive design
- SEO-ready structure and metadata
- CMS setup for content management
- Core pages built and deployed
- Analytics and tracking setup
- Ongoing maintenance and updates
- Bug fixes and performance monitoring
