

**how to activate a
battle.net game?**

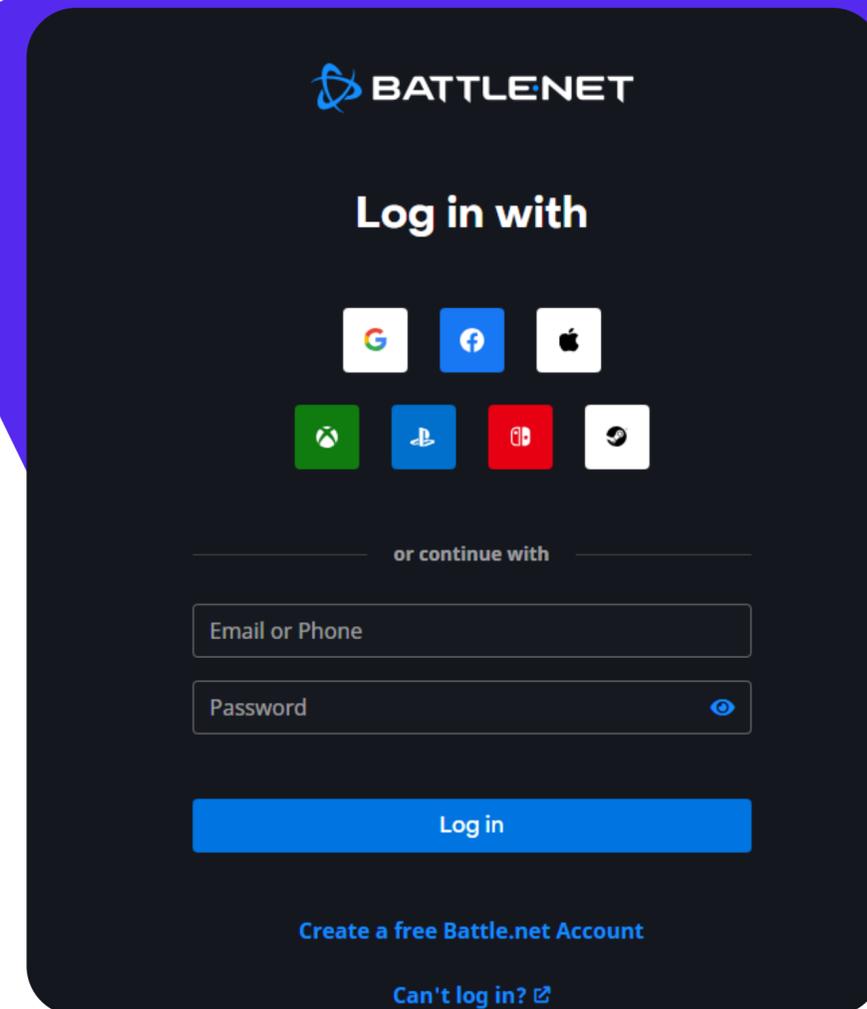

1

Visit the official Battle.net website:
<http://www.battle.net>

2

Log in to your account using your username and password. If you don't have an account yet, you can quickly [create one](#).

The screenshot shows the Battle.net login page. At the top is the Battle.net logo. Below it is the heading "Log in with". There are two rows of social media icons: the first row contains Google, Facebook, and Apple; the second row contains Xbox, PlayStation, Nintendo, and Steam. Below these icons is the text "or continue with". There are two input fields: "Email or Phone" and "Password". The "Password" field has an eye icon to toggle visibility. Below the input fields is a blue "Log in" button. At the bottom, there are two links: "Create a free Battle.net Account" and "Can't log in?" with an external link icon.

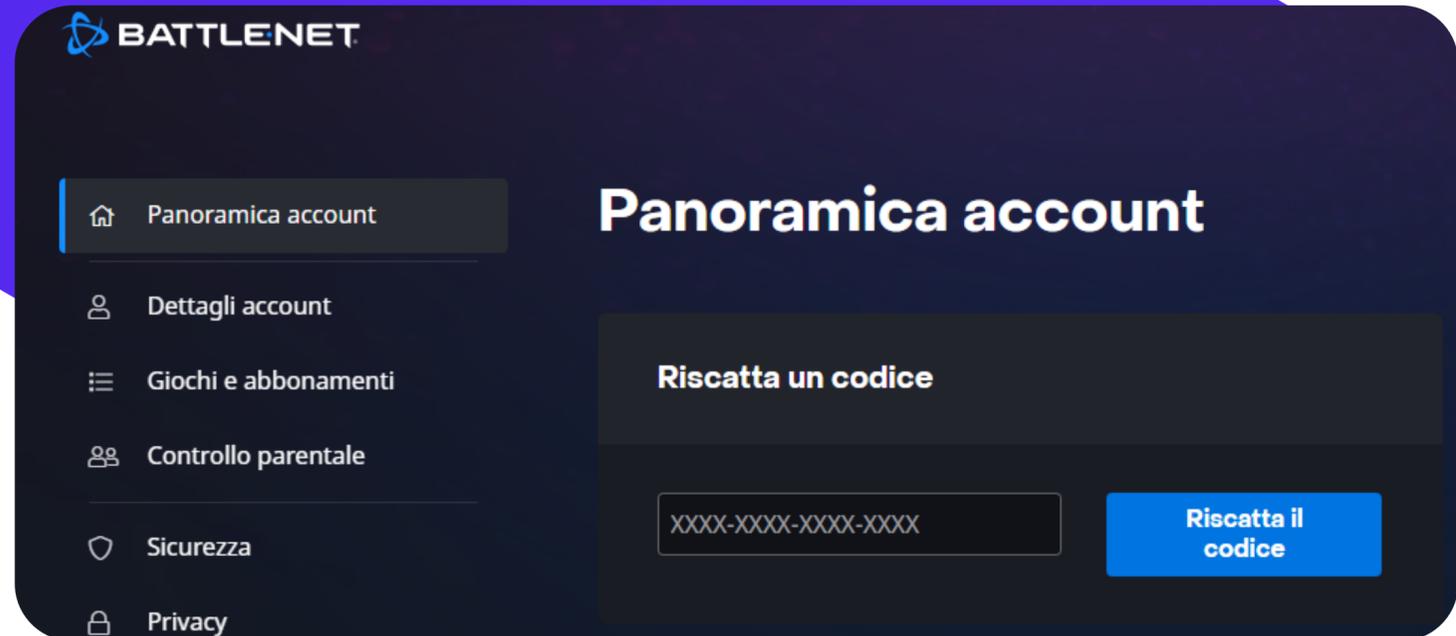

3

After logging in, go to the **"Account Settings"** section in the upper right corner.

4

On the new screen,
enter the code in the
"Redeem a code" field.

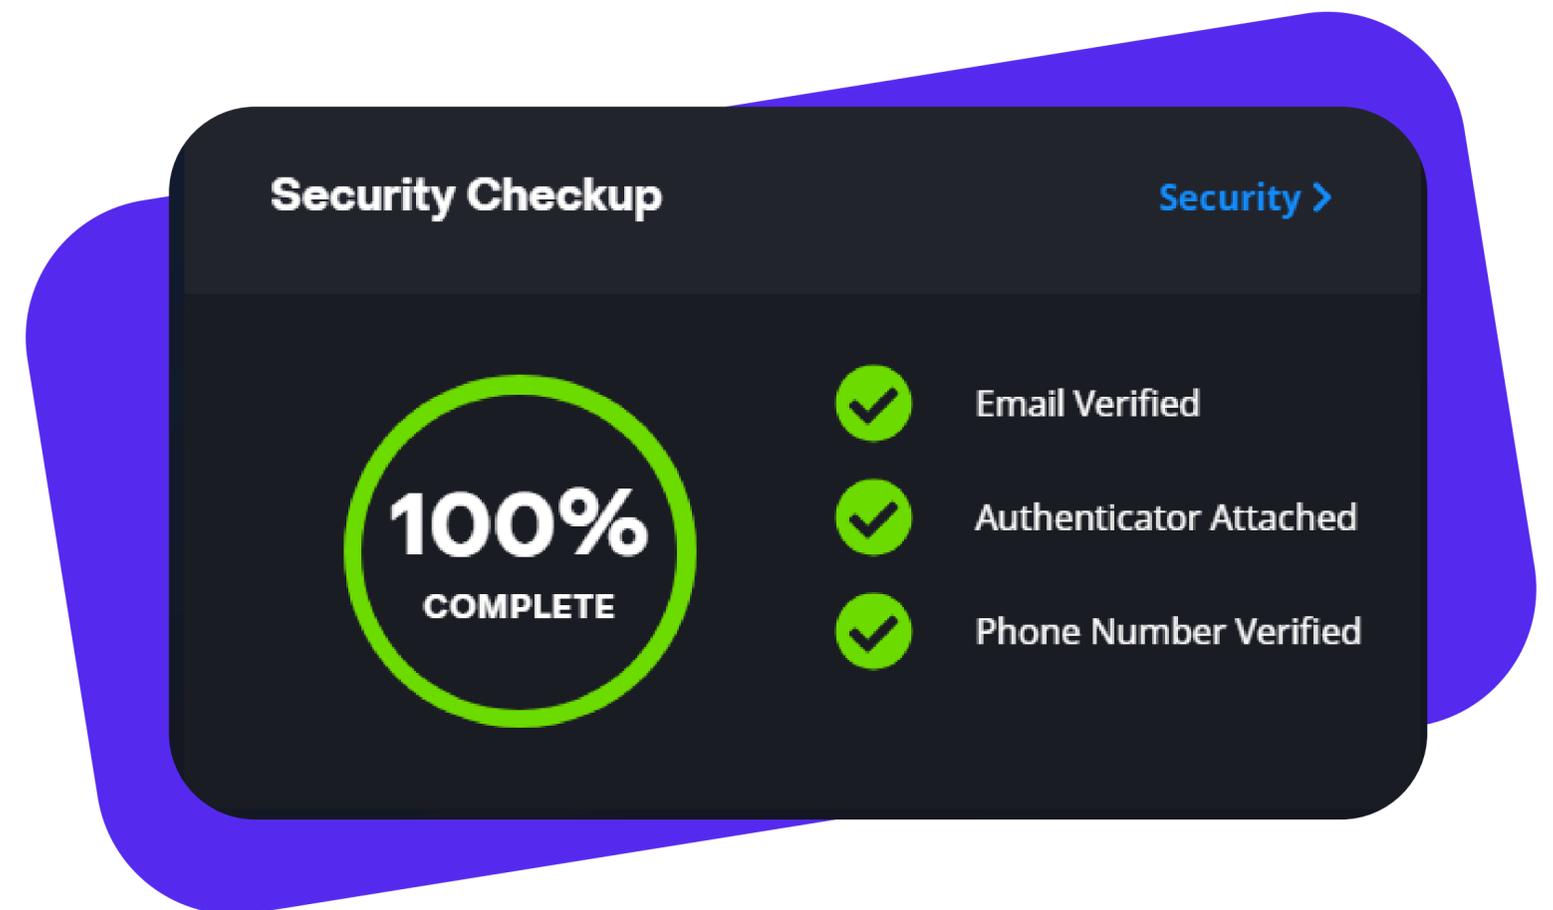

5

Battle.net will **verify the code** in a few moments.

6

Once **confirmed**, you will find the game added to **your library**.

7

Select the game and **start the download** to begin playing.

**come attivare un
gioco Battle.net**

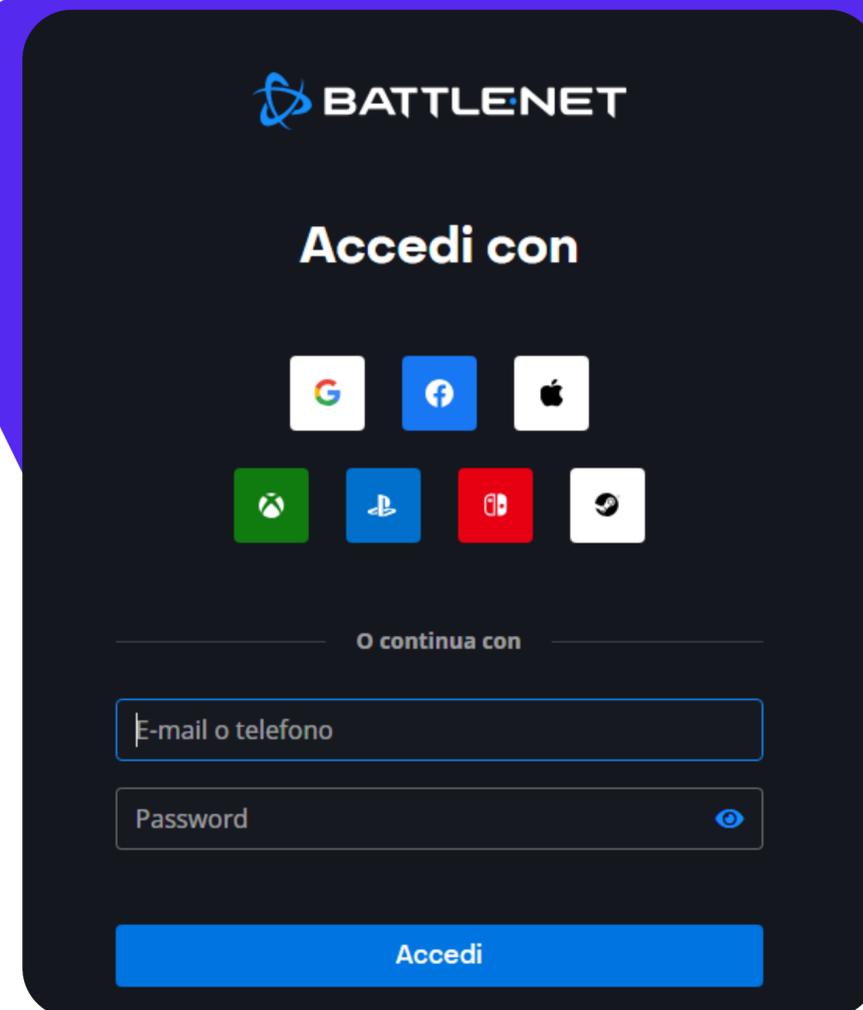

1

Visita il sito ufficiale di Battle.net:
<http://www.battle.net>

2

Accedi al tuo account utilizzando il tuo nome utente e password. Se non hai ancora un account, puoi crearne uno rapidamente.

The screenshot shows the Battle.net login interface. At the top is the Battle.net logo. Below it, the text "Accedi con" is displayed. There are two rows of social media and gaming platform icons: the first row includes Google, Facebook, and Apple; the second row includes Xbox, PlayStation, Nintendo Switch, and Steam. Below these icons, the text "O continua con" is shown. There are two input fields: "E-mail o telefono" and "Password". The "Password" field has a visibility toggle icon (an eye). At the bottom, there is a blue "Accedi" button.

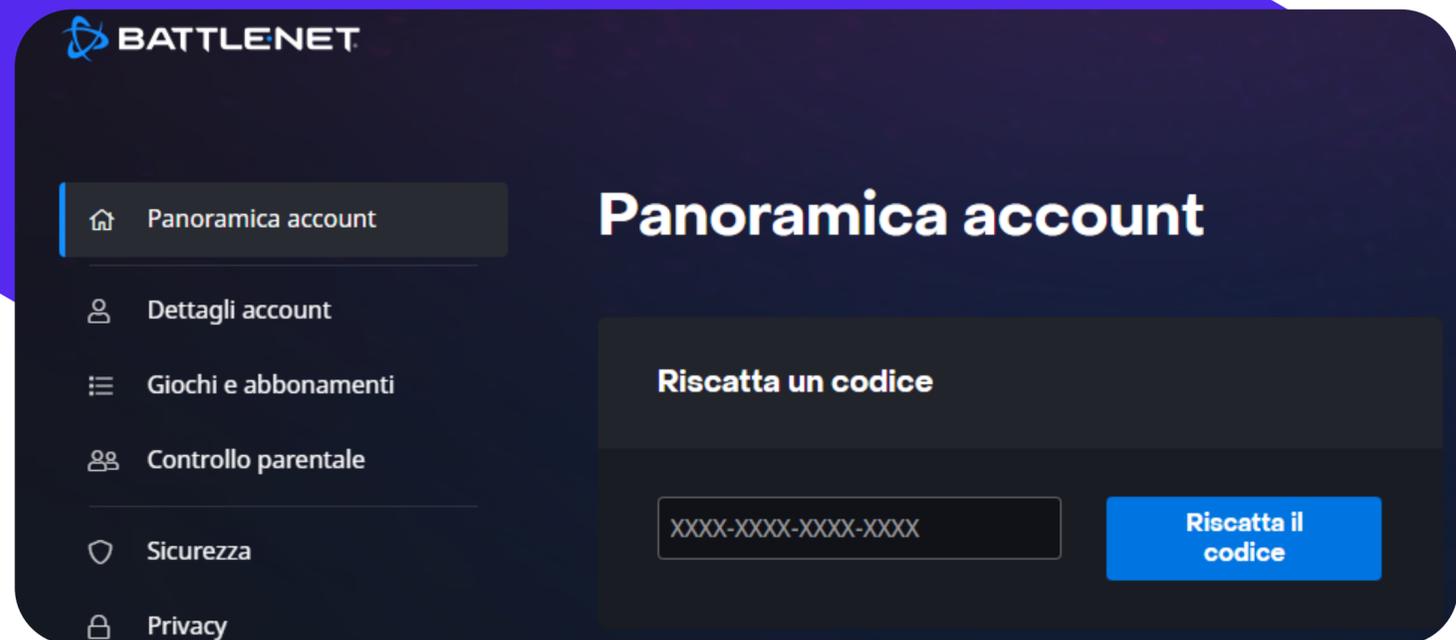

3

Dopo aver effettuato l'accesso, vai alla sezione **"Impostazioni Account"** in alto a destra.

4

Nella nuova schermata,
inserisci il codice nel campo
"Riscatta un codice".

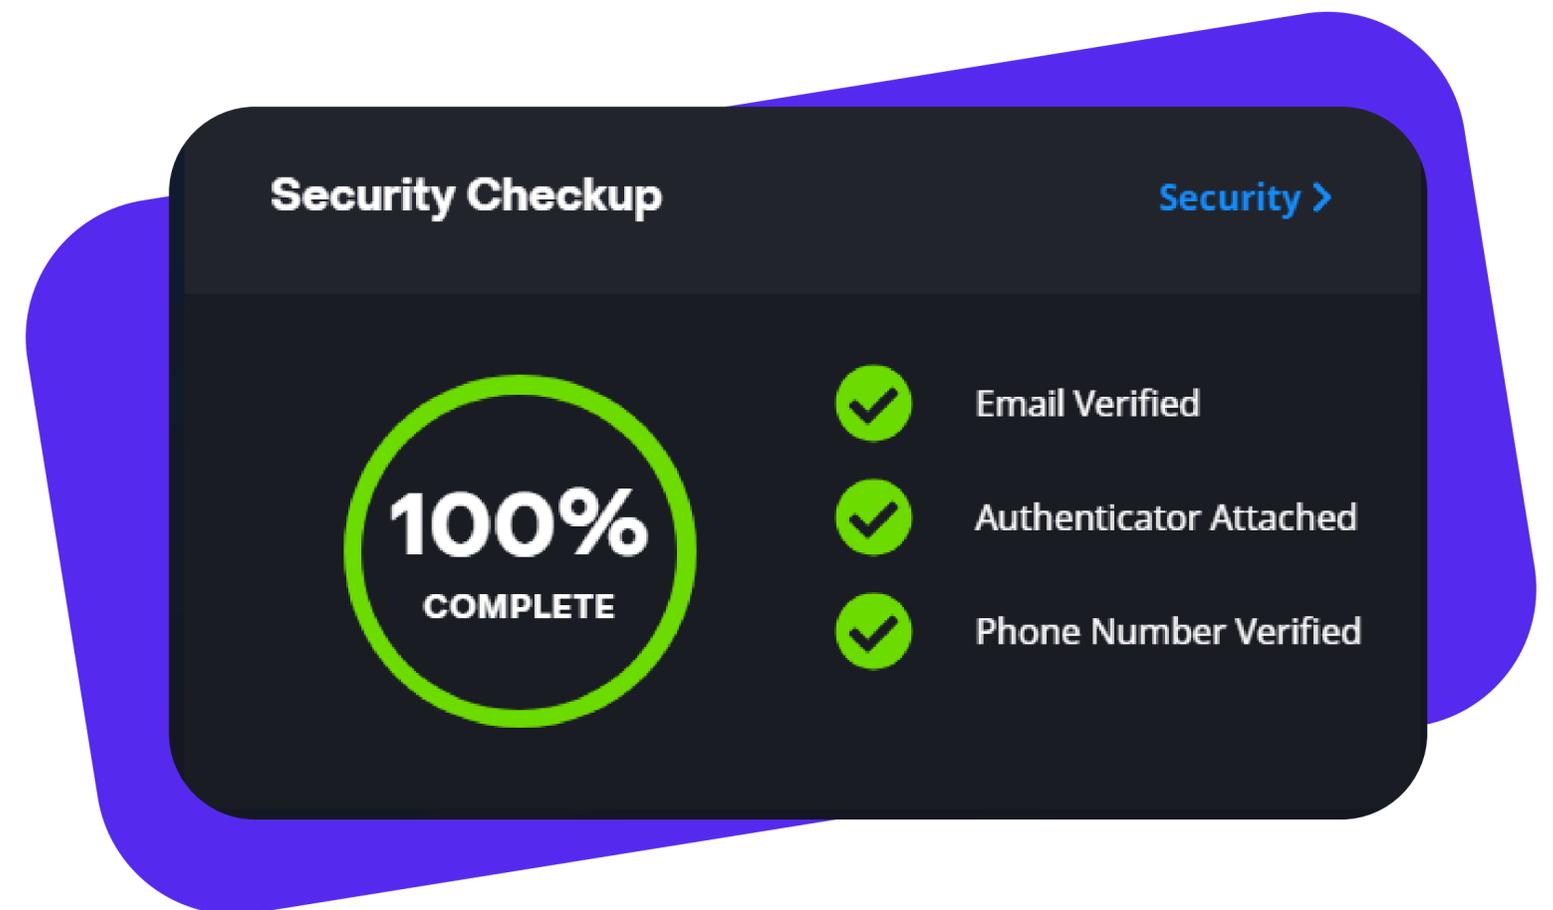

5

Battle.net **verificherà il codice**
in pochi istanti.

6

Una volta **confermato**, troverai
il gioco aggiunto alla **tua libreria**.

7

Seleziona il gioco e **avvia il download**
per iniziare a giocare.
