

how to redeem an **Epic Games** code

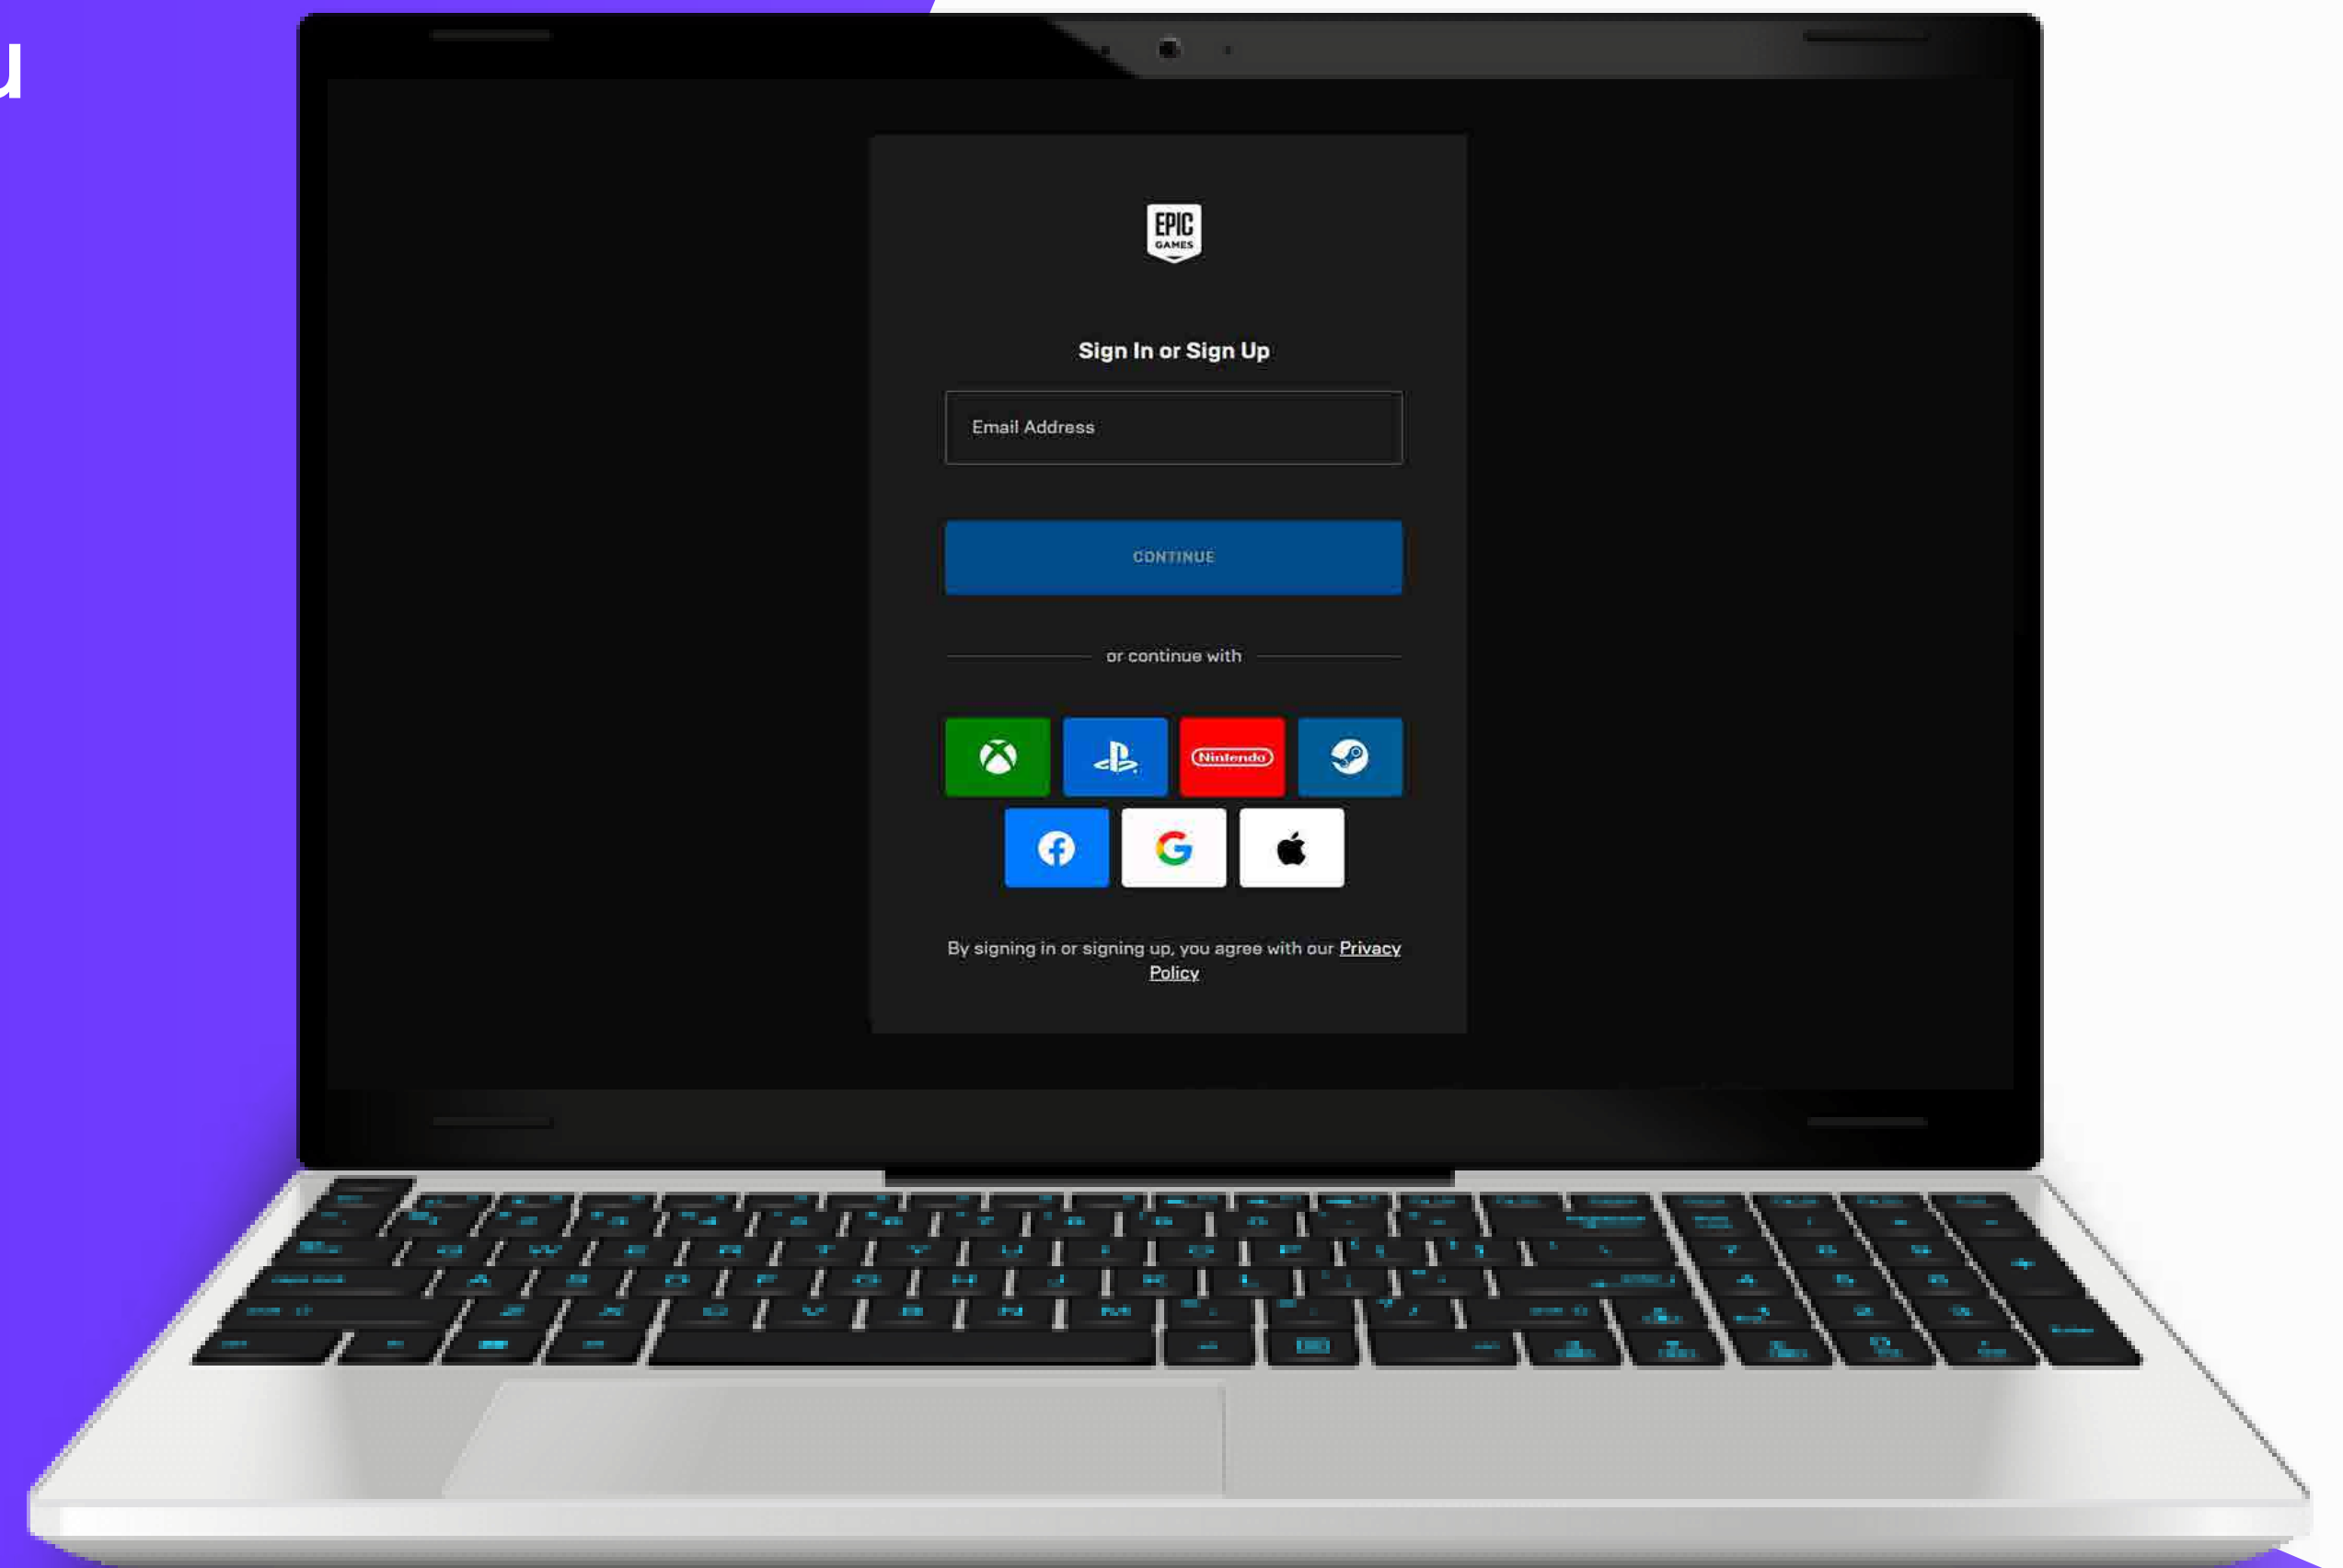

- 1 Open your browser and visit <https://www.epicgames.com/store>
- 2 Click on the blue button located in the top right corner of the window to **download the Epic Games Launcher**.

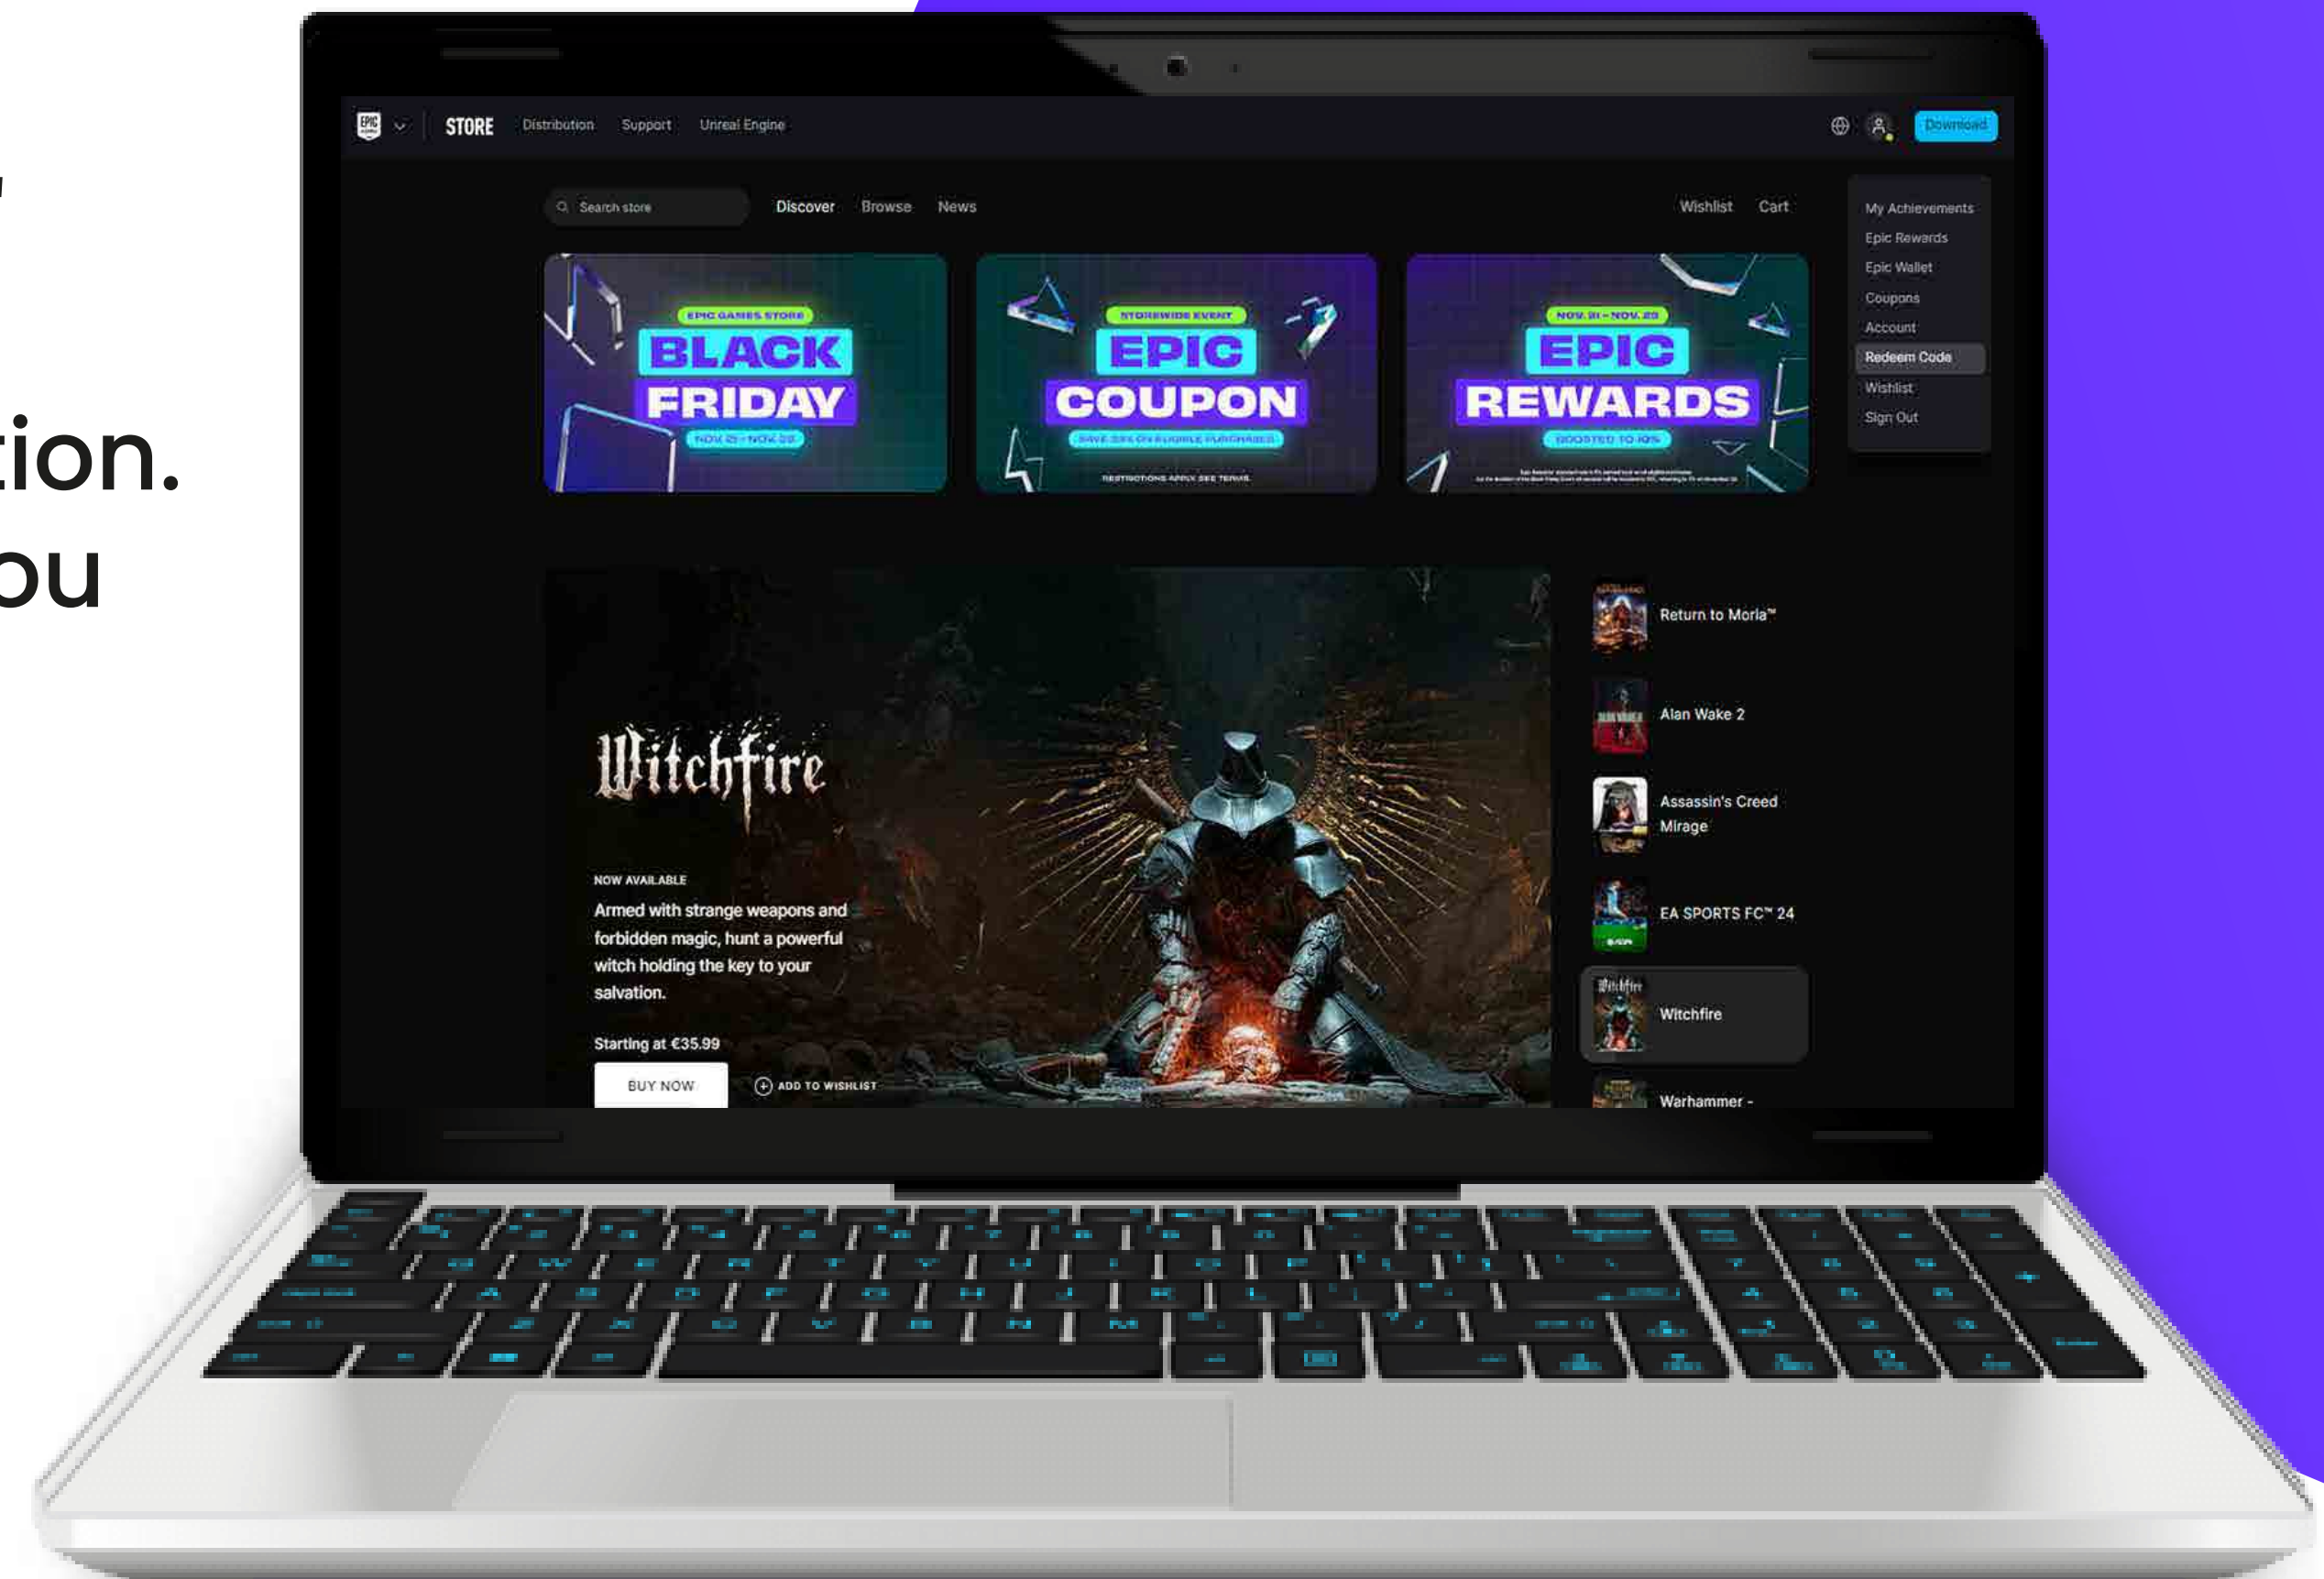

- 3 After downloading the launcher, **install** it on your computer.

Once the installation is complete, run the launcher and **log in** if you already have an account, or register to create a new one.

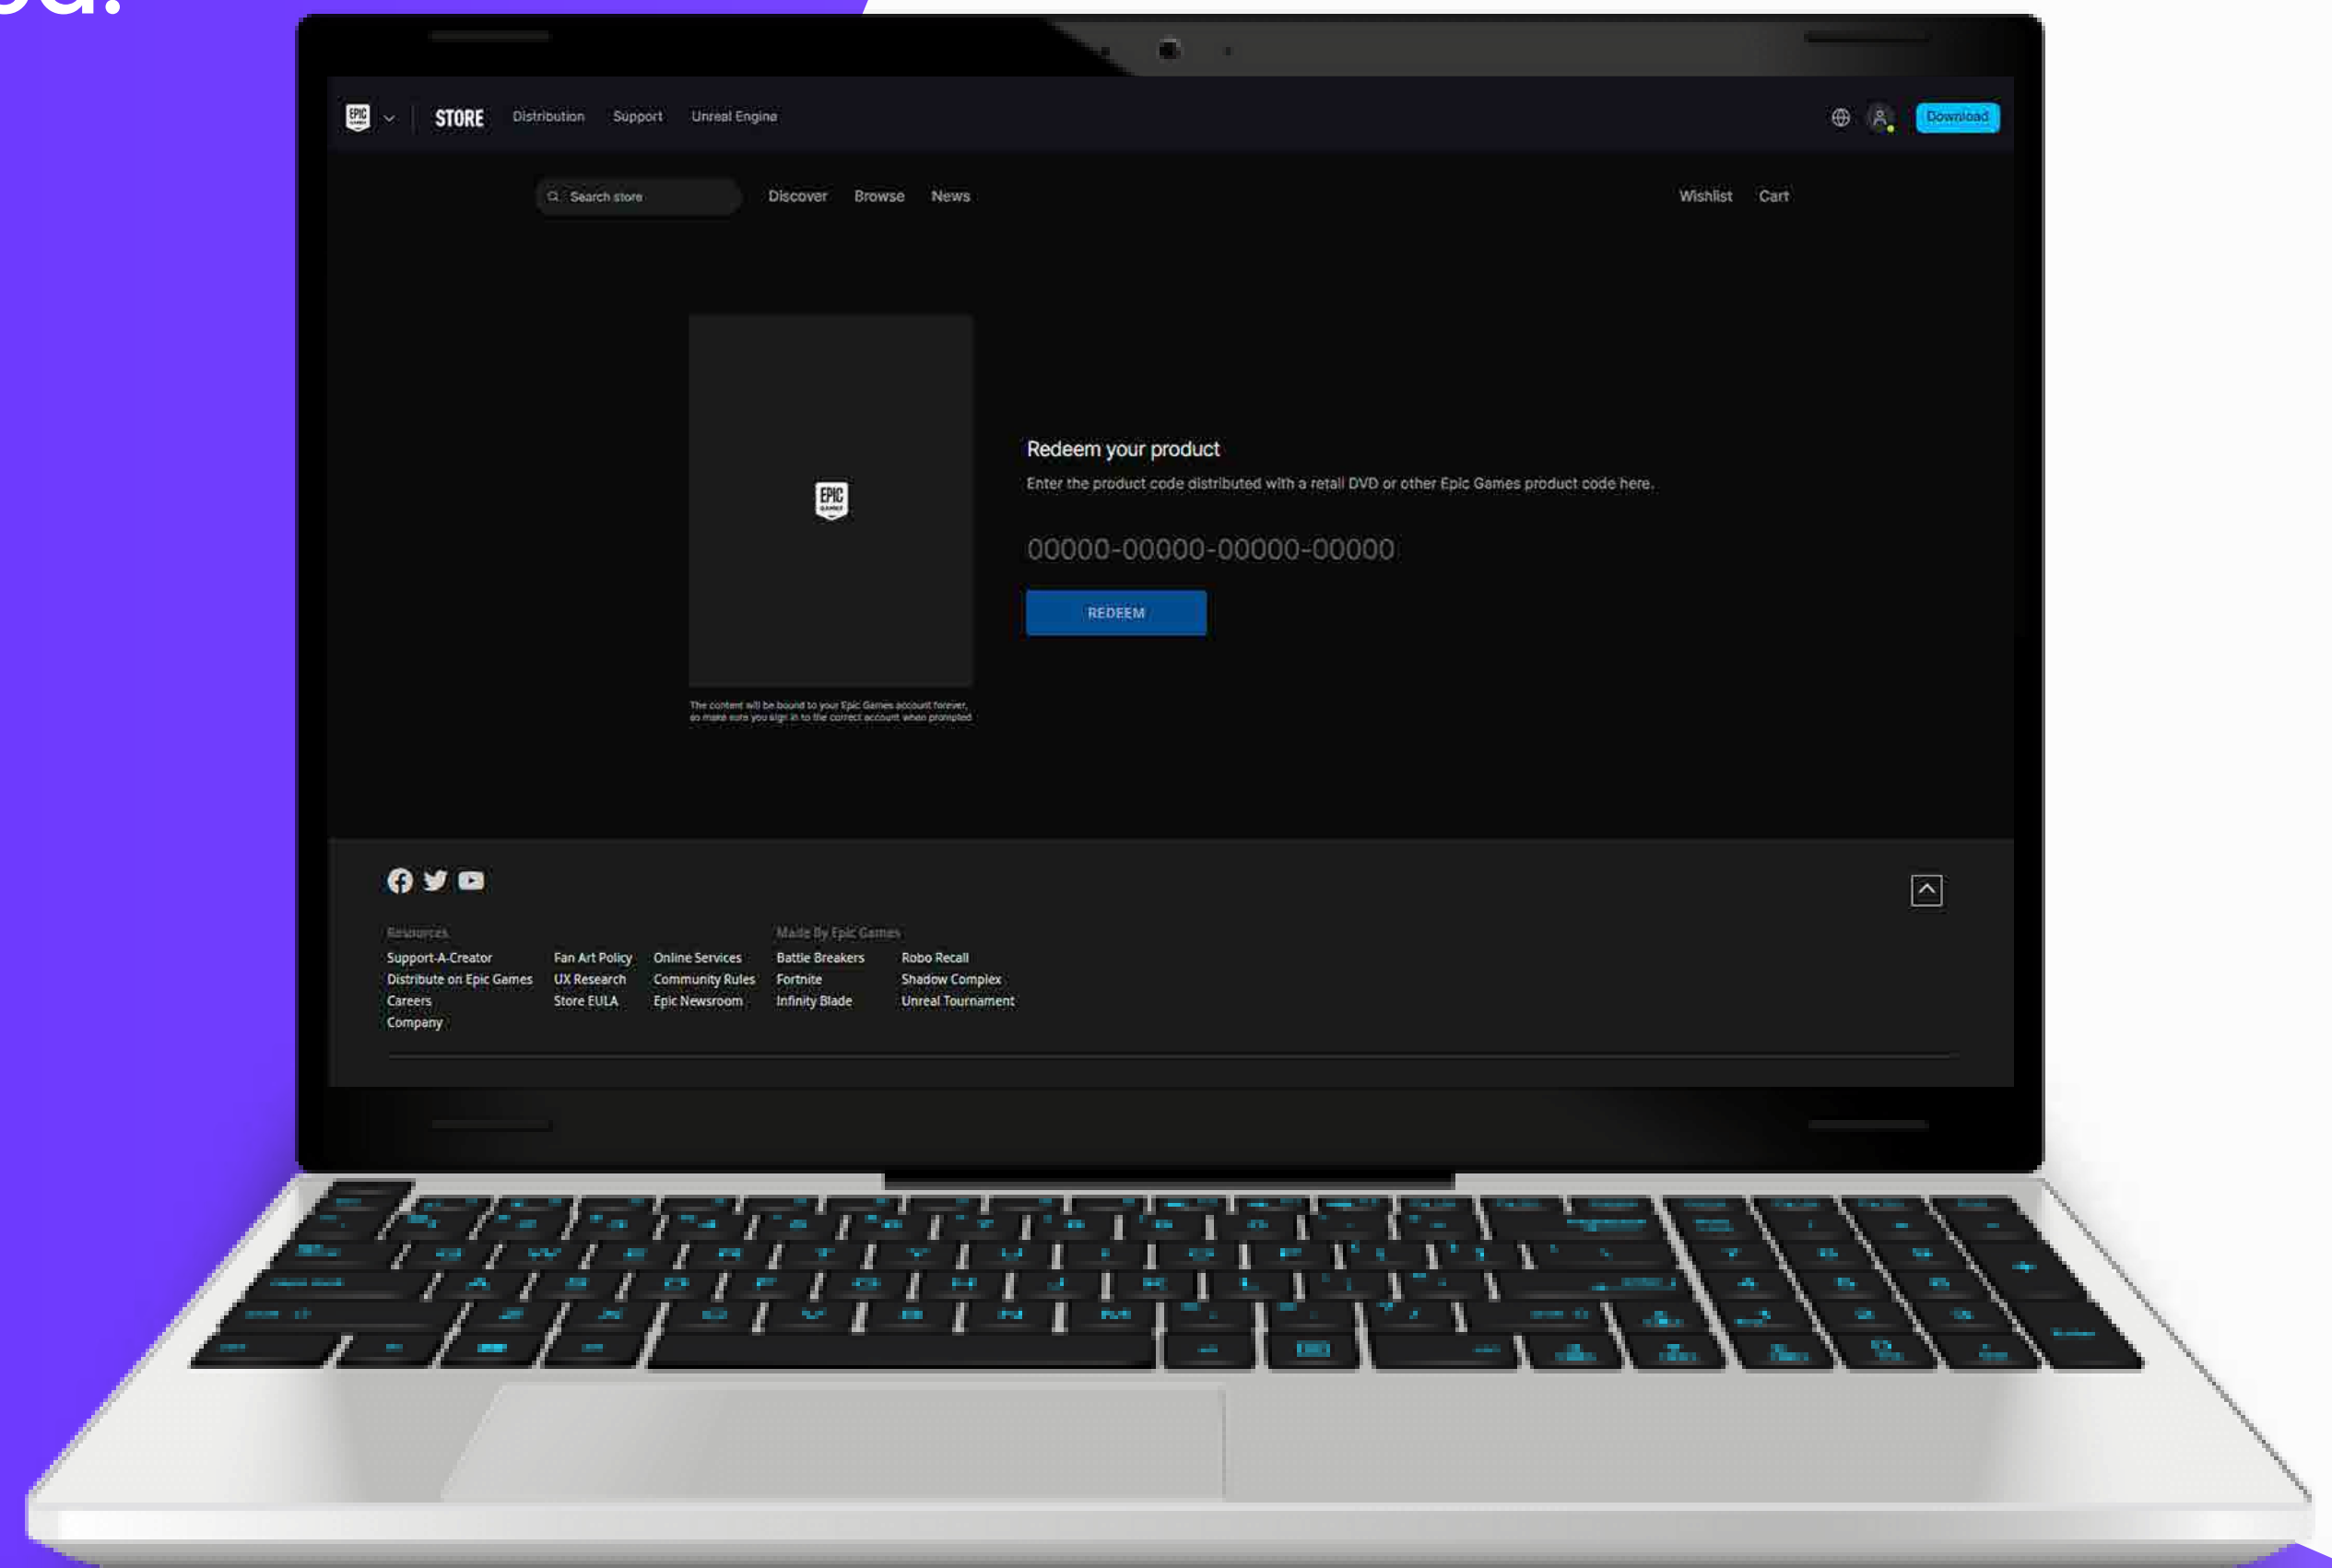

- 4 In the top right corner of the launcher window, click on your username and then on "**Redeem Code**."
- 5 Now, with the login completed, select the option "**Redeem Code**" and enter the code provided by Keycense in the "**My Orders**" section. A small window will appear for you to enter the code.

6 After redeeming the code, return to the "Library" section of the launcher.

Your new game will now be available and ready to be installed.

come riscattare un codice Epic Games

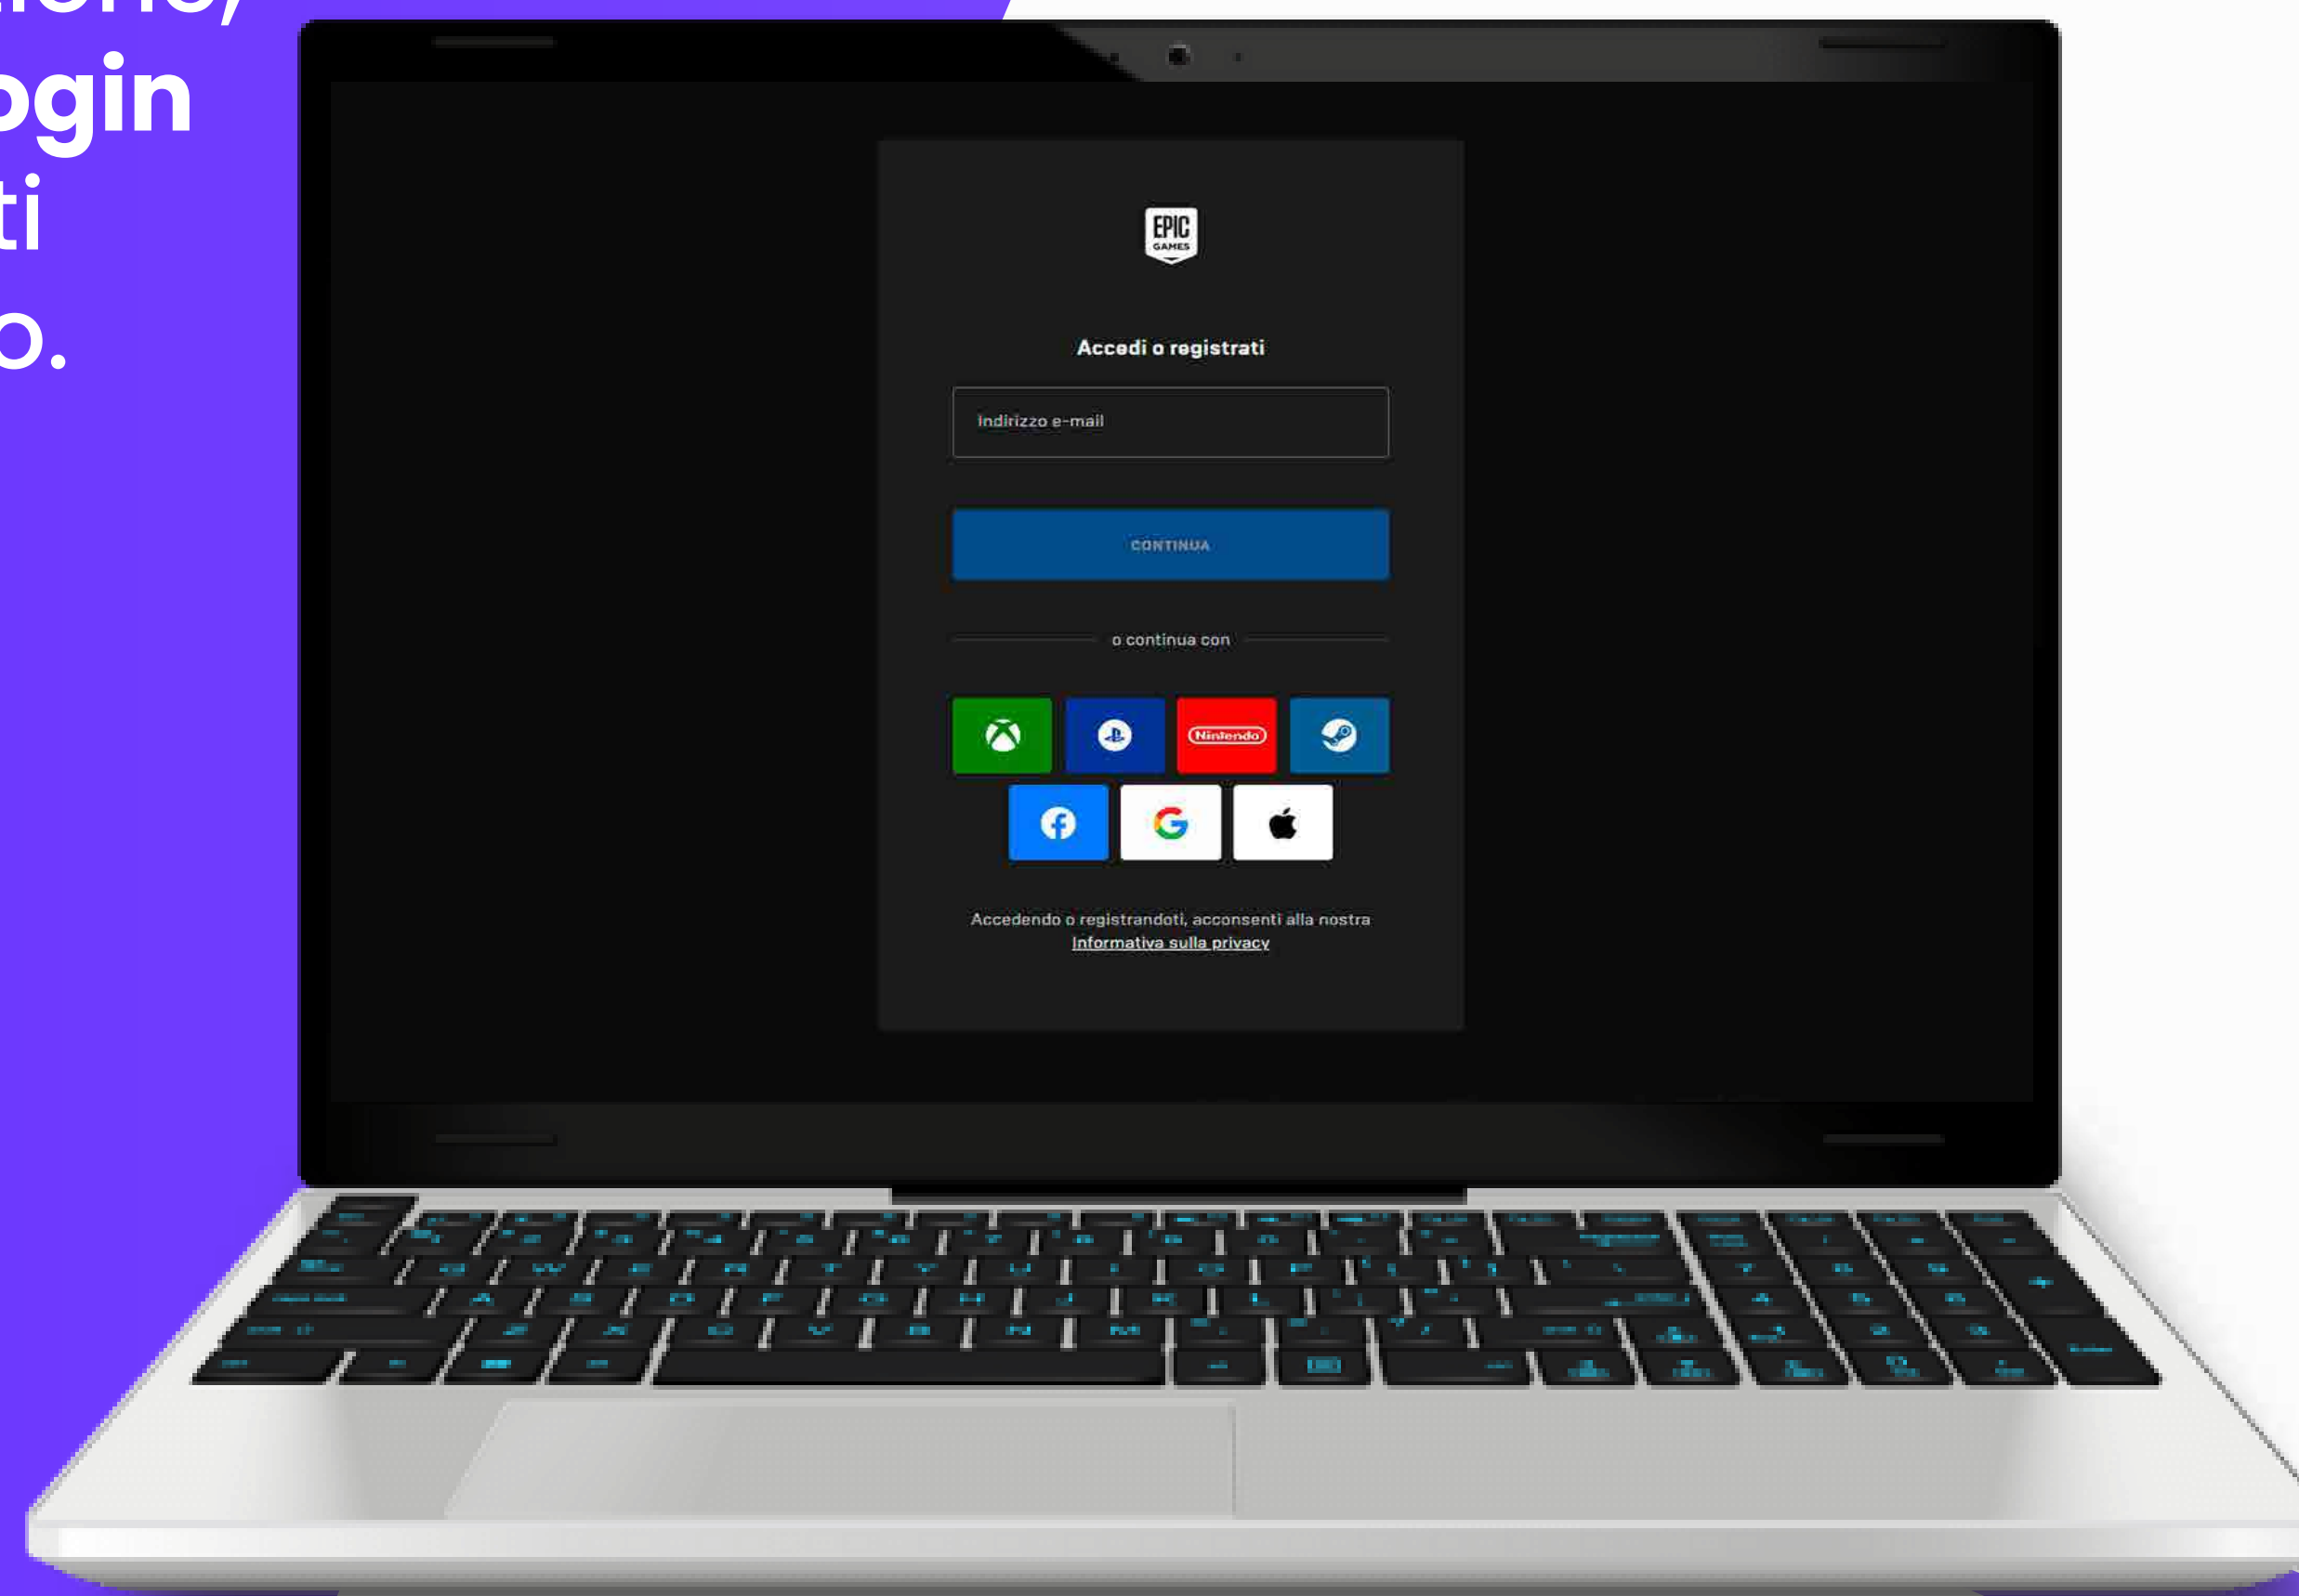

- 1 Apri il browser e visita il sito <https://www.epicgames.com/store>
- 2 Clicca sul pulsante blu in alto a destra della finestra per scaricare l'Epic Games Launcher.

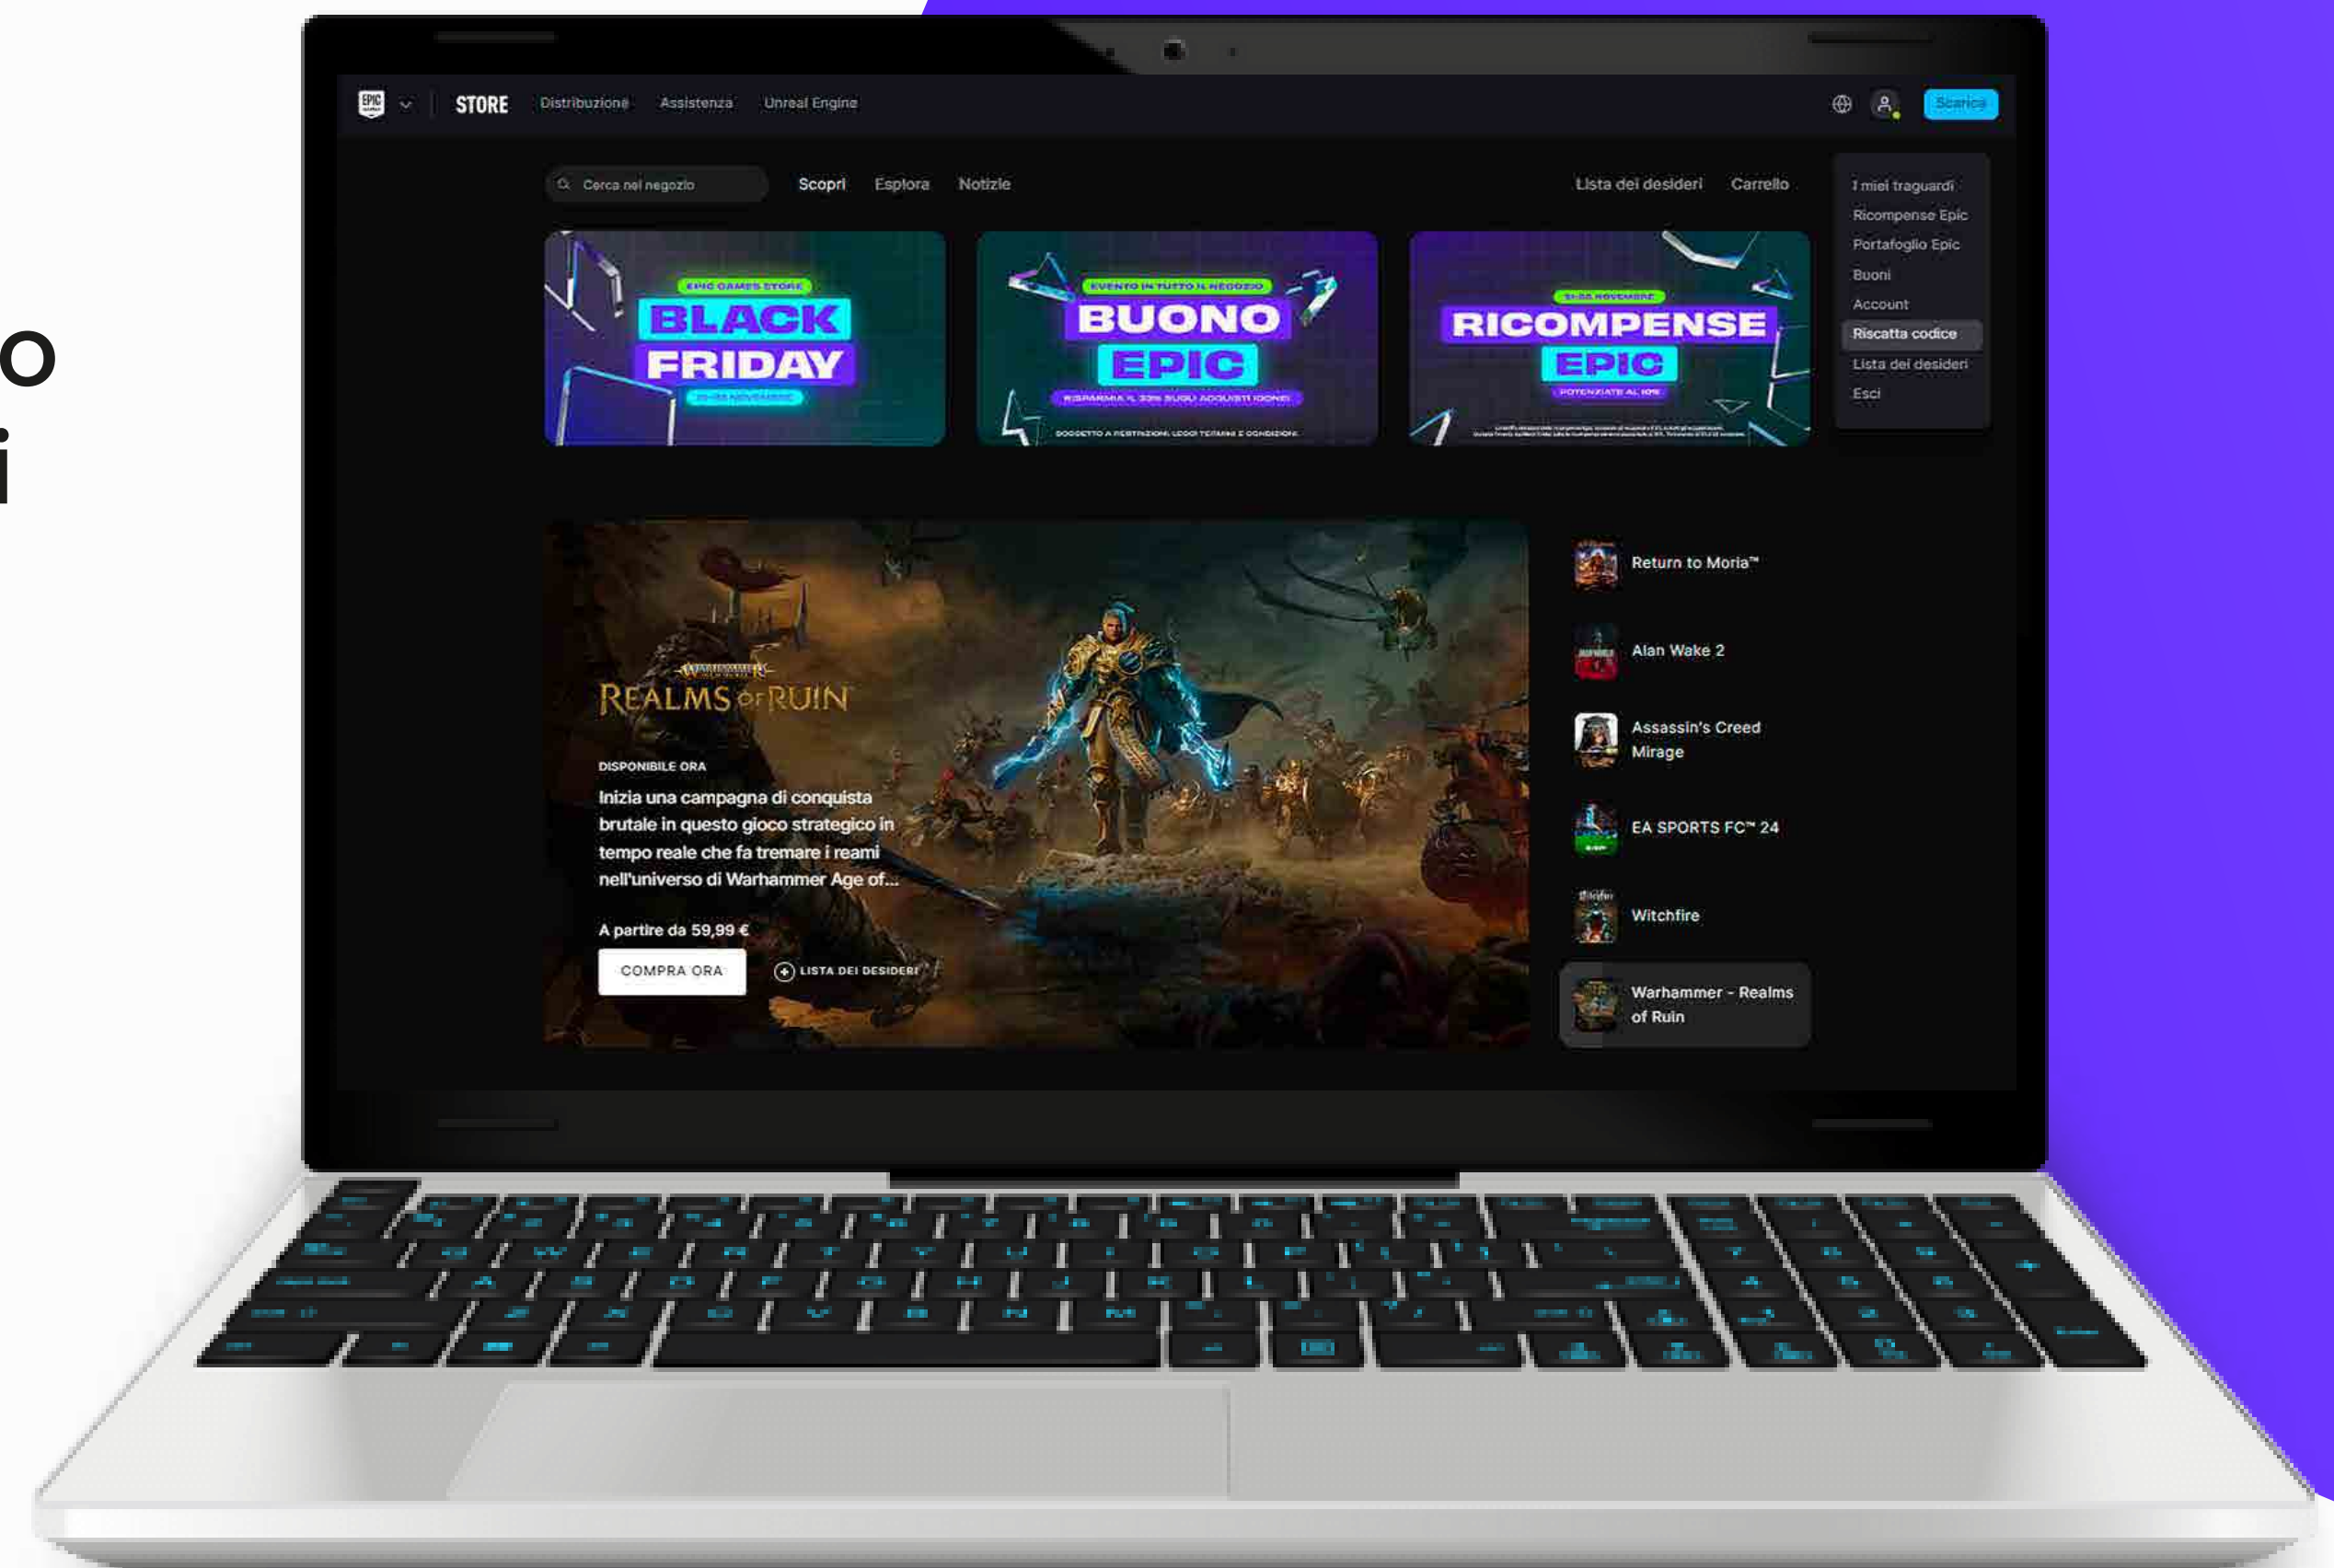

- 3 Dopo aver scaricato il launcher, installalo sul tuo computer.

Una volta completata l'installazione, **esegui il launcher** e effettua il **login** se hai già un account, altrimenti registrati per crearne uno nuovo.

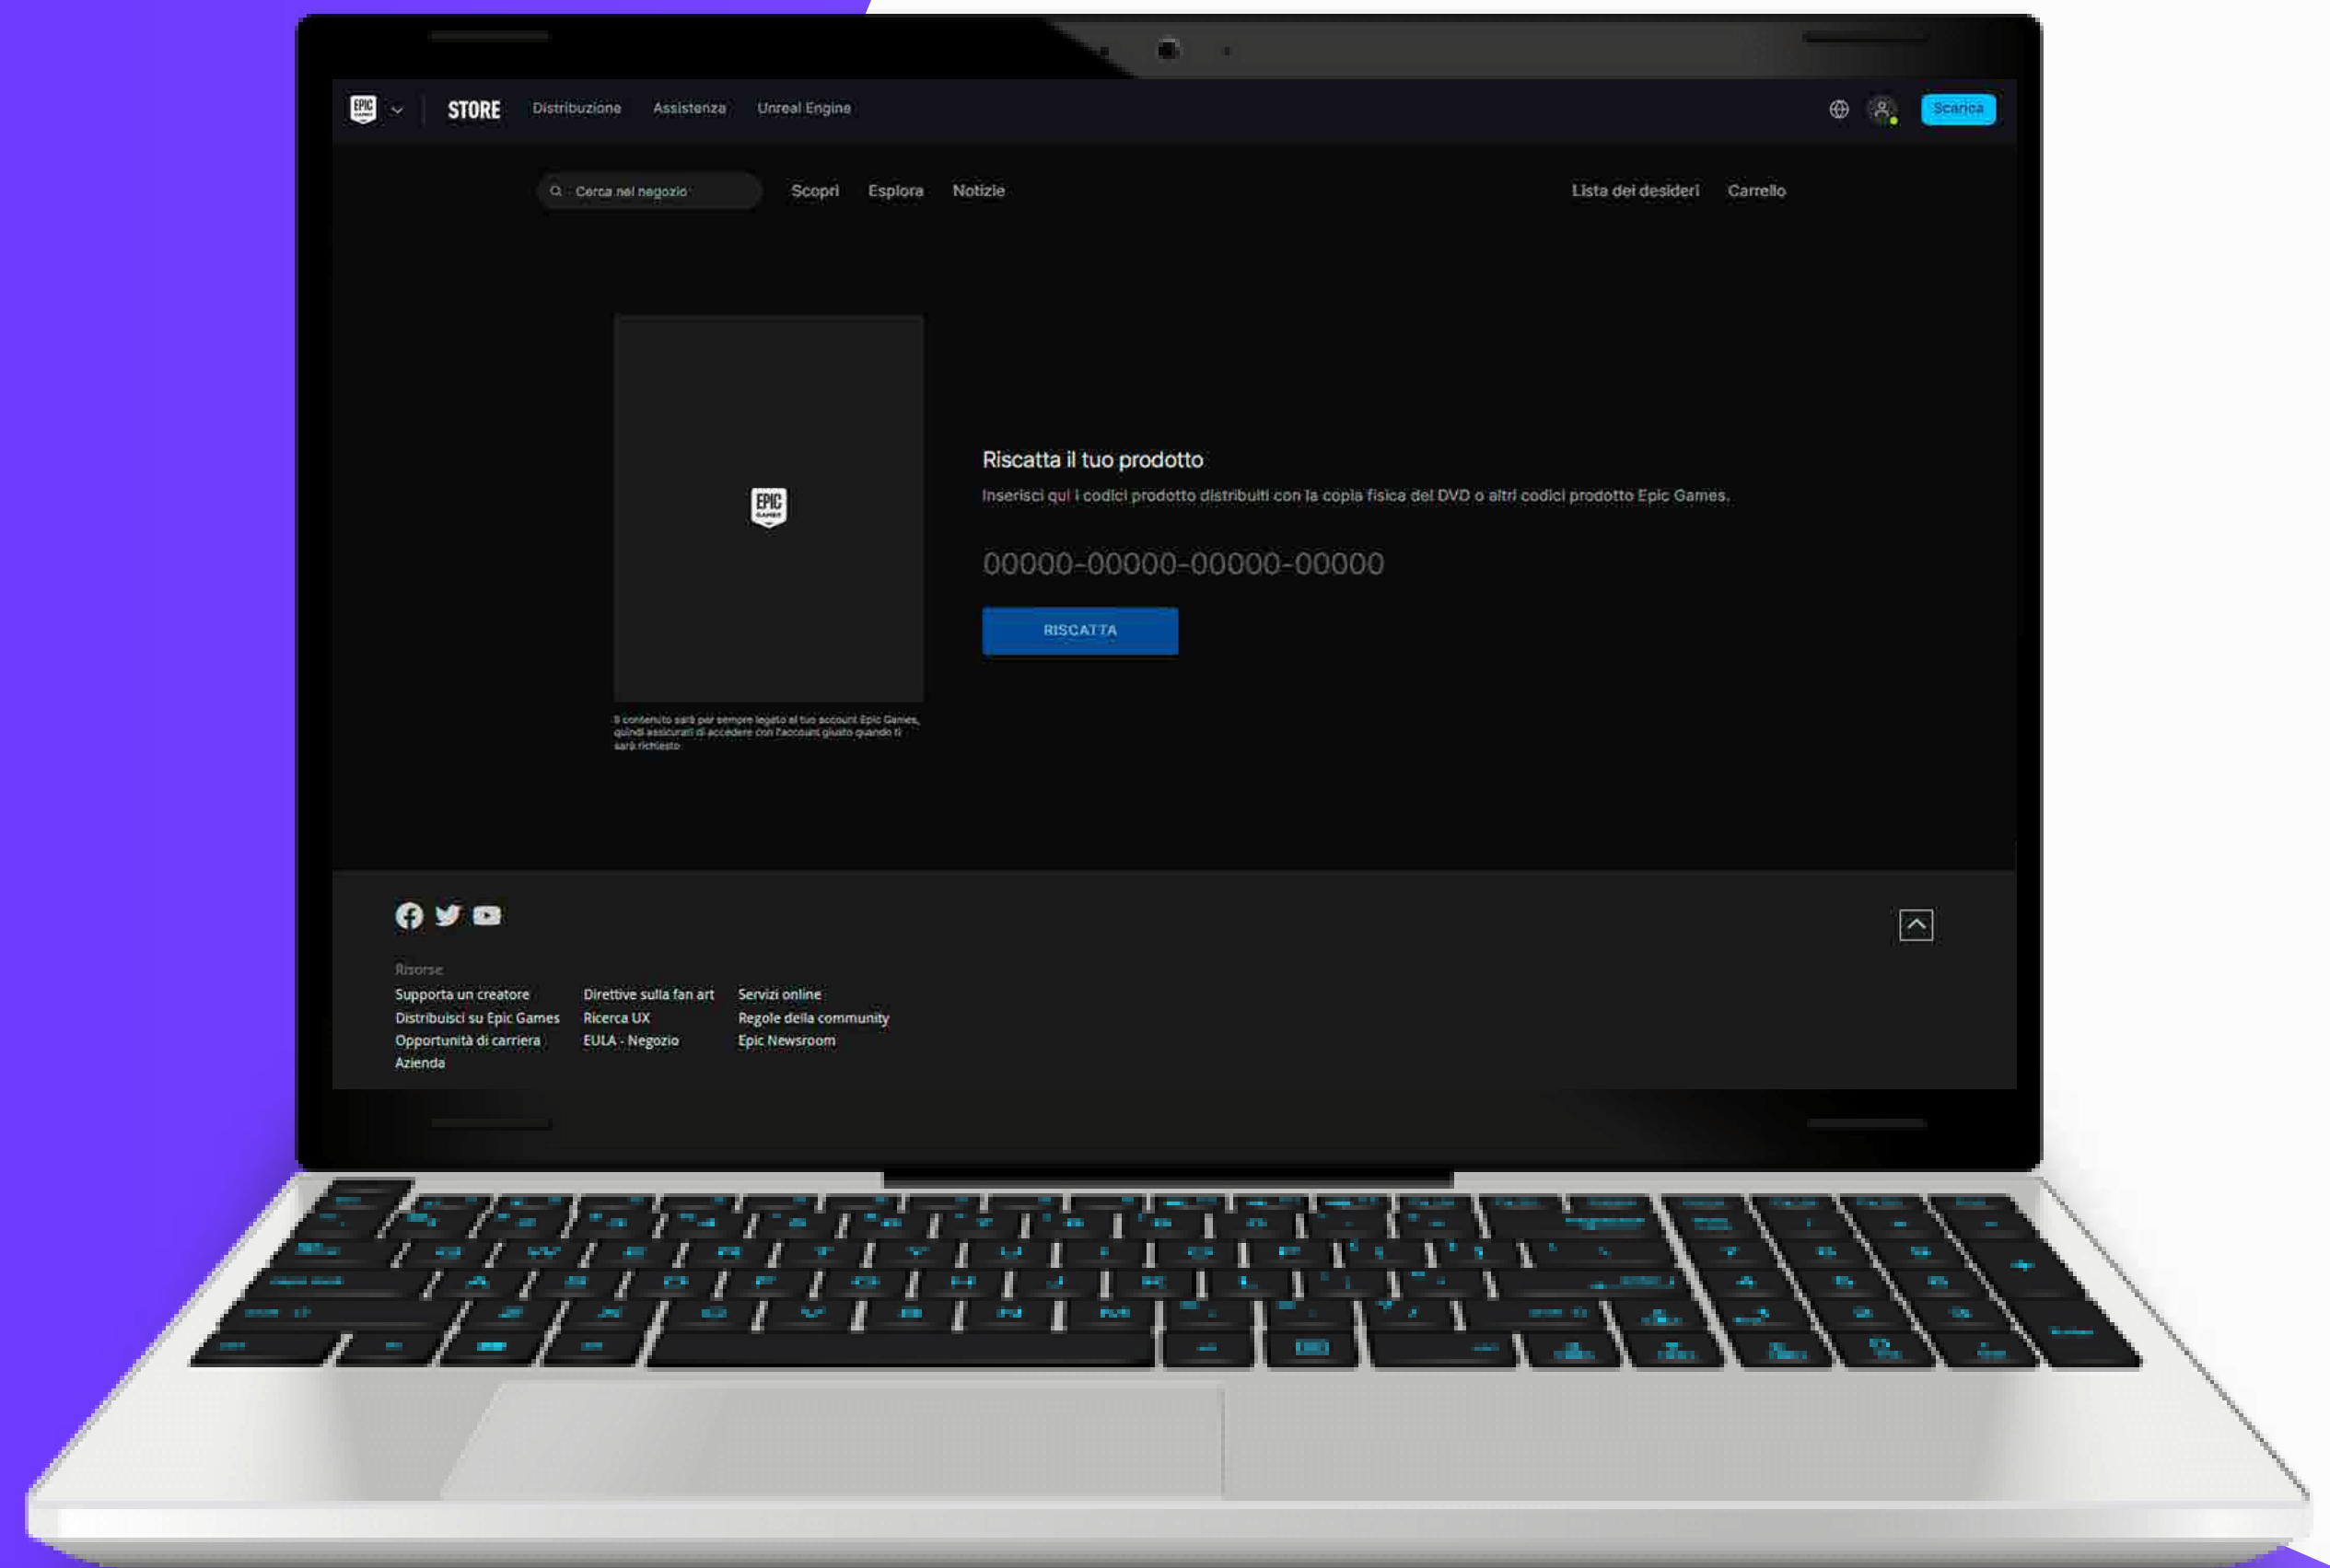

4 Nell'angolo in alto a destra della finestra del launcher, clicca sul tuo username e successivamente su **"Riscatta Codice"**

5 Ora, con l'accesso effettuato, seleziona la voce **"Riscatta il codice"** e inserisci il codice fornito da Keycense nella sezione "i miei ordini". Una piccola finestra apparirà per inserire il codice.

6 Dopo aver riscattato il codice, torna alla sezione **“Libreria”** del Launcher.

Il tuo nuovo gioco sarà ora disponibile e pronto per essere installato.
