

Tenk at nå er

dagen her

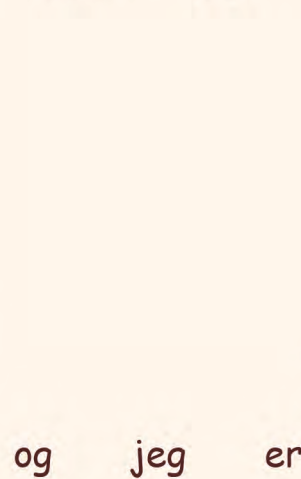

som jeg har

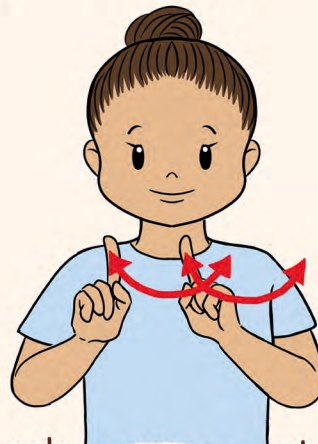

lengtet etter.

Jeg skal gå i toget,

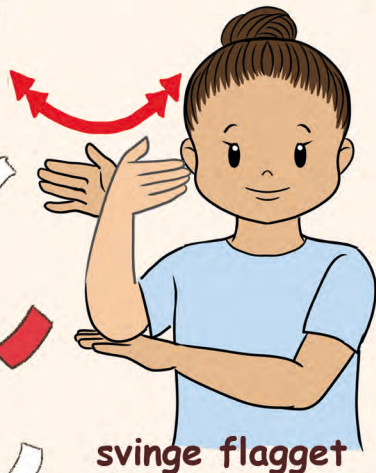

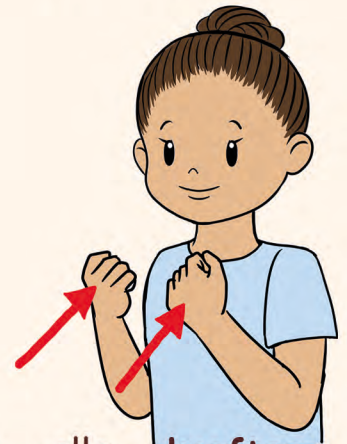

og jeg er så glad.

Du kan tro jeg skal

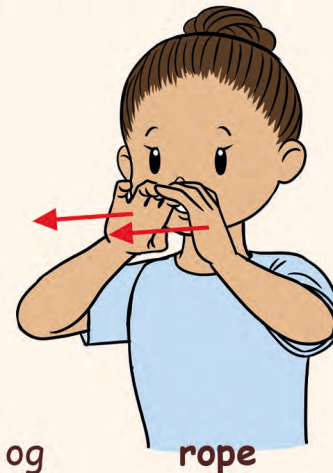

nok synge ut

av alle krefter,

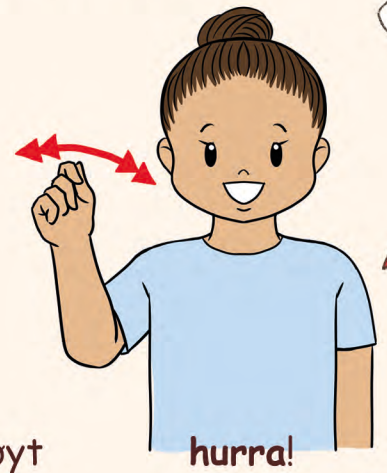

svinge flagget

mitt

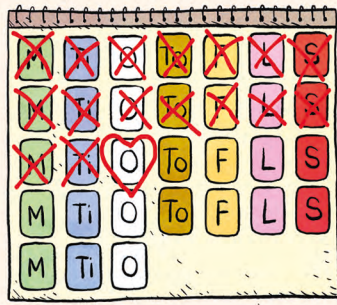

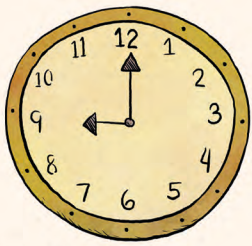

og

rope

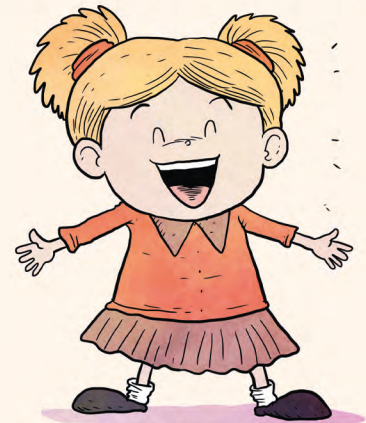

høyt

hurra!

Tenk at nå er dagen her som jeg har lengtet etter.

Jeg skal gå i toget, og jeg er så glad.

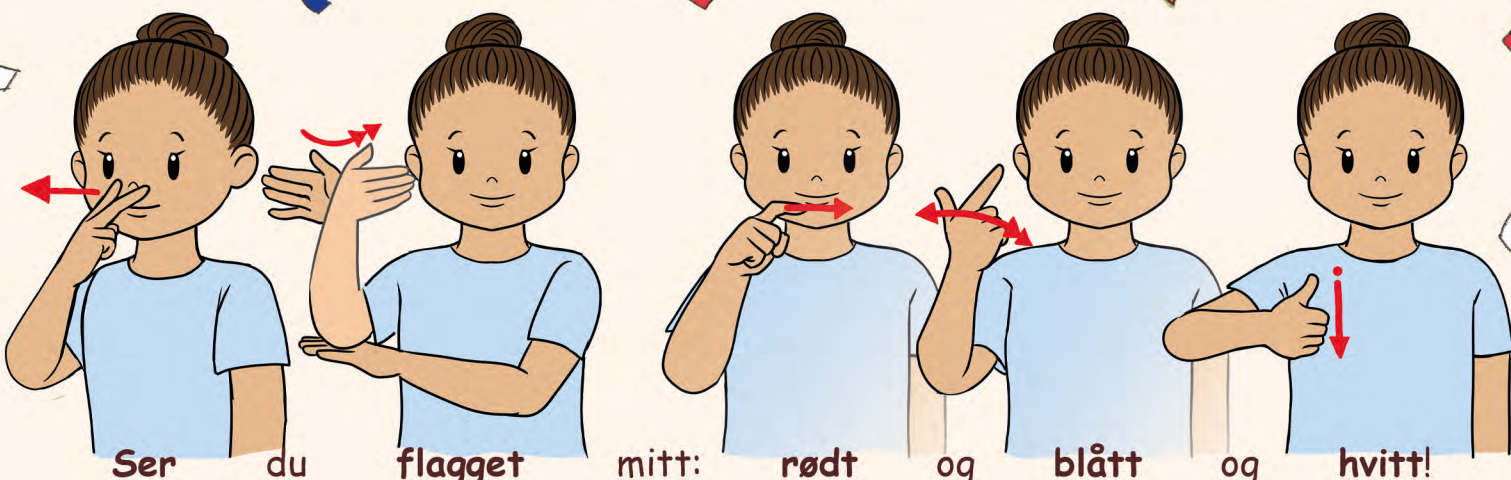

Du kan tro jeg skal nok synge ut av alle krefter,

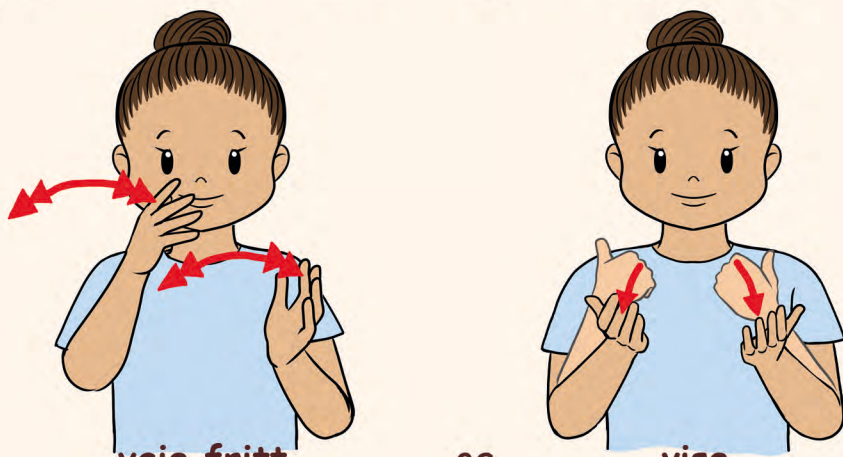

svinge flagget mitt og rope høyt hurra!

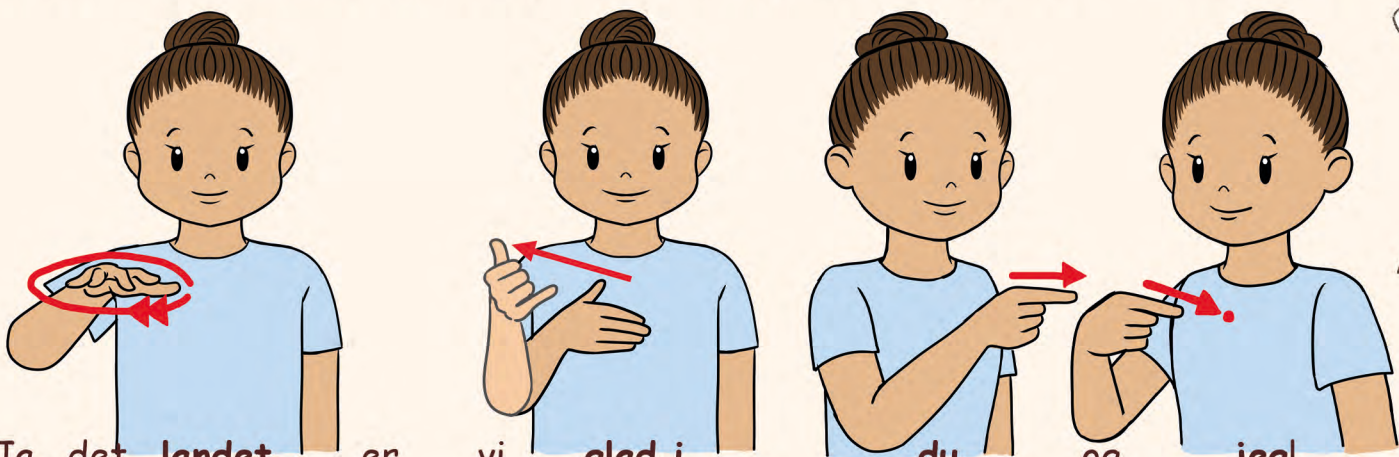

Ser du flagget mitt: rødt og blått og hvitt!

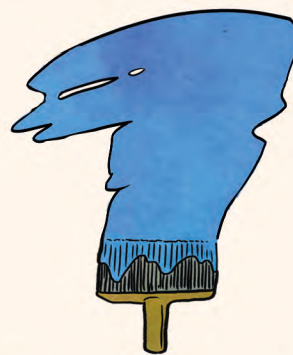

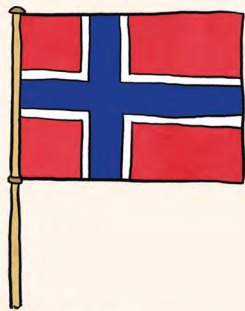

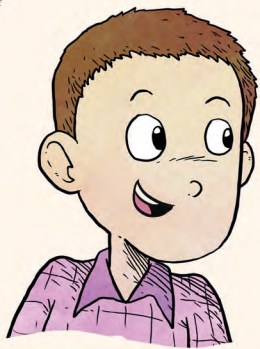

Det skal vaie fritt og vise seg

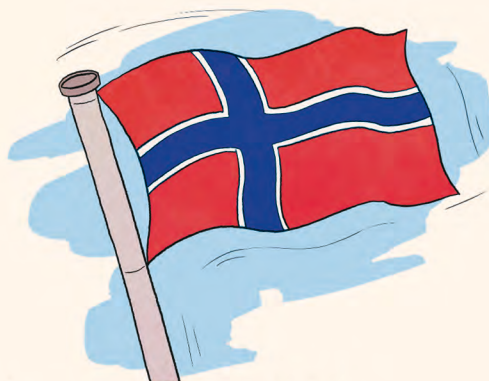

friskt og vakkert er det, som vår kjære gamle Norge.

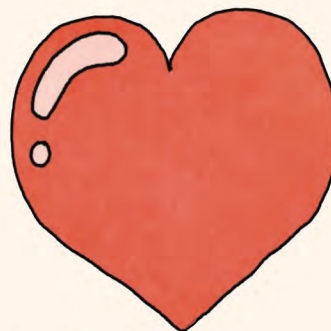

Ja, det landet er vi glad i, du og jeg!

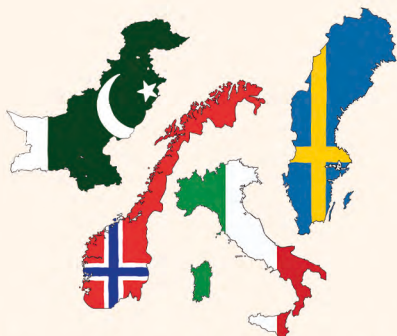

Ser du flagget mitt: rødt og blått og hvitt!

Det skal vaie fritt og vise seg

friskt og vakkert er det, som vår kjære gamle Norge.

Ja, det landet er vi glad i, du og jeg!
