[Download free ebook] 4 of 4 review helpful For the Naive By Customer This book is filled with ideas for those who have never tried to raise capital before But if you have worked at this before this book has nothing to add to what you have already tried You need friends with money and influence to raise capital anything else is climbing a ladder leaning against the wrong wall 1 of 2 review helpful Money This books is always there in my bag. In any spare time it was easy for me to read **Raising Capital For Dummies®** despite having read repeatedly.
