[Read and download] 4 of 5 review helpful Not worth the time By Joyous I bought this because my exam is coming up and I wanted a quick study guide so I d at least have a chance to pass The only reason I gave this two stars instead of one is that it has a lot of well written general test advice in the beginning of the book It s a great read for someone who hasn t taken any exams yet Unfortunately the content itself is poorly written Many thanks to the Emma who told me a lot about this Wiley CPA Examination Review, Outlines and Study Guides: Volume 1 (Wiley CPA Examination

Review Vol. 1: Outlines & Study Guides). Until I was interested to read it. **Wiley CPA Examination Review, Outlines and Study Guides: Volume 1 (Wiley CPA Examination Review Vol. 1: Outlines & Study Guides)** has meaningful and a valuable lesson.
