[Mobile library] 0 of 0 review helpful Motivational technical and long By Sean This book is full of motivation and you get the feeling that you really can do this It is also full of great technical content something I like to read This is a great book for someone who read a beginner s book and wants more depth but is not yet advanced There are great examples of setups and strategy But it was long and the motivation got a bit old afte This books title:**Tools and Tactics for the Master DayTrader: Battle-Tested Techniques for Day, Swing, and Position Traders** is always there in my bag. In any spare time it was easy for me to read **Tools and Tactics for the Master DayTrader: Battle-Tested Techniques for Day, Swing, and Position Traders**

despite having read repeatedly.
