[Mobile library] 8 of 9 review helpful heavy reading not for beginners or intermediates By RockyTopTrader This book is part of the CMT required reading and the title claims it is for the trading professional I do not doubt that one bit This is not a system on trading strategies or a broad review of technical analysis so much as a rethink on the traditionally accepted methods Being an intermediate level trader I found this This **Technical Analysis for the Trading Professional (McGraw-Hill Trader's Edge Series)** is always there in my bag. In any spare time it was easy for me to read **Technical Analysis for the Trading Professional (McGraw-Hill Trader's Edge Series)** despite having read repeatedly.
