[Read now] 4 of 4 review helpful Nice introduction albeit fun is a stretch By A J Sutter T King is a lucky guy he loves his profession In the preface to this book he assures us that accounting is fun Despite his letting the reader in on a

professional in joke or two I confess that I wasn't won over to this point of view Nor is his writing style so compelling that I'm confident I'd have slogged through to the end even if I Many thanks to the Mason who told me a lot about this book's title: **More Than a Numbers Game: A Brief History of Accounting (Wiley Finance)**. Until I was interested to read it. **More Than a Numbers Game: A Brief History of Accounting (Wiley Finance)** has meaningful and a valuable lesson.
