[Mobile book] 3 of 5 review helpful Defective book By Susan M Cole The book was defective My daughter needed it for a course for her Masters in Accountancy She had to borrow a book to get what she needed and was inconvenienced having to do that even though we paid for her own book The book is correct until chapter 10 when the page number

jumps from 86 to 55 then the next chapter is a repeat of chapter 8 then 9 and 10 again. By Paul M. Clikeman of this book is not likely to run out of ideas. The book **Called to Account: Financial Frauds that Shaped the Accounting Profession** is the 5th book I read. All of his work are interesting and very nice. This book is one of them.
