(Mobile library) 5 of 5 review helpful Beg your professor to pick anything else By Jo C Assigned by a professor who had worked with the authors The most recent version is better than the one we started with had to switch halfway through because professor decided to change after class started But this book is not clear in many things Illustrations don t match what the text is saying so they are either misplaced or inappropriate I woul Many thanks to the Abigail who told me a lot about this books. Until I was interested to read it. **Accounting for Governmental & Nonprofit Entities** has meaningful and a valuable lesson.
